Accreditation and Important Notes

ACCREDITATION
Washington Community College District 17 (Community Colleges of Spokane) includes Spokane Community College, Spokane Falls Community College and the Institute for Extended Learning. Spokane Community College and Spokane Falls Community College are accredited by the Northwest Commission on Colleges and Universities. Many individual programs also are accredited by additional professional accrediting associations.

Students enrolled in credit programs at the Institute for Extended Learning centers earn their certificates and degrees through SFCC or SCC. Completion of a certificate or degree program at the Institute for Extended Learning, Spokane Community College or Spokane Falls Community College does not guarantee job placement.

Community Colleges of Spokane (CCS) operates under the jurisdiction of the Washington State Board for Community and Technical Colleges and is a member of the American Association of Community Colleges and the Washington Association of Community and Technical Colleges.

Spokane Community College and Spokane Falls Community College are approved to participate in Federal Title IV, Washington State Financial Aid and Title 38 Veterans Educational Benefit programs. Institute for Extended Learning centers are approved as additional locations through the two colleges for students enrolled in eligible degree or certificate programs.

ACCEPTABLE USE OF INFORMATION TECHNOLOGY RESOURCES
Community Colleges of Spokane provides information technology resources (IT resources) to support the instructional, support and administrative activities of the district. The IT resources are intended for the sole use of college faculty, staff, students and other authorized users. IT resources include but are not limited to host computer systems, web sites, desktop computers and workstations, communications networks, electronic software, electronic hardware, library automation systems, multi-media equipment, electronic data, computer files, video networks, telephones, voice mail, e-mail, and internet resources. IT resources will be used according to state laws and the policies and procedures of the district and its institutions. Use of CCS IT resources, as state resources, does not confer a right to privacy in those resources. CCS reserves the right to monitor its IT resources and to take appropriate action to protect the integrity of its IT resources in accordance with existing laws, policies and procedures.

Violations of this policy or implementing procedures may subject the user to disciplinary action. (CCS Board Policy 7.30.05)

EQUAL OPPORTUNITY/NONDISCRIMINATION
CCS complies with all Washington state antidiscrimination laws (RCW-49.60) and the following federal laws relating to equal opportunity: Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA).

Community Colleges of Spokane — comprised of Spokane Community College, Spokane Falls Community College and the Institute for Extended Learning — does not discriminate on the basis of race, color, national origin, sex, disability, sexual orientation or age in its programs, activities or employment. The following persons have been designated to handle inquiries regarding nondiscrimination policies.

CCS has an open door policy. However, most courses and programs have prerequisites and some have limited enrollment and/or waiting lists. Additionally, some have special skill and ability requirements for participation. Information about these requirements is available by calling the appropriate admissions office: SCC, 509-533-8020; SFCC 509-533-3500; and IEL 509-279-6000.

PROHIBITION AGAINST ALCOHOL AND UNLAWFUL DRUGS
As a recipient of federal grants and aid, Community Colleges of Spokane complies with the federal Drug Free Workplace Act and the Drug Free Schools and Communities Act. These acts prohibit the unlawful possession, use or distribution of controlled substances by students and employees on college property or at college activities, including those that occur off campus.
PUBLIC RECORDS REQUESTS
The district’s public records shall be in the charge and control of the public records officer designated by the district chancellor. The person so designated is the CCS chief financial officer, located in the Riverpoint One Building at 501 N Riverpoint Blvd.

Per WAC 132Q-276, requests to examine public records must be made in writing through the CCS chief financial officer in the Riverpoint One Building. Direct requests to departments will not be honored. The public records request form is available online at www.ccs.spokane.edu. A detailed e-mail request may be accepted in lieu of the form. Once collected, records are normally available for inspection from 8 a.m. to noon and 1 p.m. to 5 p.m. Monday through Friday (with the exception of holidays and a modified summer schedule). Call 509-434-5275 for information.

SEX OFFENDER ADMISSION POLICY
Individuals convicted of sex or kidnapping offenses are required to self-disclose such status to the chief student services officer prior to admission to SCC, SFCC or the IEL as a condition of enrollment. Failure to comply may be grounds for denial of admission or expulsion from SCC, SFCC or the IEL. (CCS Administrative Procedure 2.30.05-M)

STUDENTS WITH DISABILITIES
In accordance with the mandates of Section 504 of the Rehabilitation Act of 1973-Subpart E and the Americans with Disabilities Act, accommodations for otherwise qualified students with a disability(s) will be considered after receiving a student’s request. The student will need to register with the Disability Support Services (DSS) office and provide appropriate documentation of the disability. Once the student has established a file and the disability(s) has been verified by DSS, then the facts of each situation will be thoroughly analyzed and reviewed to determine appropriate reasonable accommodations for classroom, laboratory or clinical settings. Accommodations that would compromise patient care, or fundamentally alter the essential nature of a program or activity are not considered to be reasonable.

A student who is denied an accommodation has the right to request a review of the determination through the defined grievance process available at each institution.

Procedures for student grievance are outlined in the SCC Student Handbook and in the SCC Center for Students with Disabilities Student Handbook. The SFCC Student Resources web site explains the student concerns/complaints process. The IEL Student Services web site explains the services available. A pamphlet is also available at the IEL. For more information, call SCC, 509-533-7169; SFCC, 509-533-4166; IEL Spokane, 509-279-6037; IEL Colville, 509-685-2122; or IEL Pullman Center, 509-332-4003.

DISCLAIMER
Information in this catalog is intended to provide an overview of the colleges. Academic requirements and procedures necessary for admission and graduation are included.

During the period the general catalog is in circulation, there may be curriculum revisions and program changes, including changes in the quarters in which courses are offered or discontinuation of programs. Students are responsible for consulting the appropriate academic unit or adviser for the most current and specific information. Refer to the online catalog at www.ccs.spokane.edu for the most current information.

All announcements in the catalog are subject to change without notice and do not constitute an agreement between the college and the student.

Limitation of Liability: The total liability of Community Colleges of Spokane for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to CCS for those classes or programs. In no event shall CCS be liable for any special, indirect, incidental, or consequential damages, including but not limited to loss of earnings or profits.
Admission

WASHINGTON STATE COMMUNITY COLLEGE ADMISSIONS POLICY
In accordance with WAC 131-12-010, any applicant for admission to Washington State Community College District 17 shall be admitted when, as determined by the chief administrative officer or his/her designee, such applicant: is competent to profit from the curricular offerings of the college; would not, by his or her presence or conduct, create a disruptive atmosphere within the college inconsistent with the purposes of the institution; is 18 years of age or older; is a high school graduate or has successfully completed a GED; or has applied for admission under the provisions of a student enrollment options program such as Running Start or a successor program, or other local student enrollment options program.

Those students ages 16 through 18 who meet the provision of Title III—Adult Education Programs may enroll in certain adult basic education classes with a release from the common school district. Individuals admitted into such classes will be allowed to continue as long as they are able to demonstrate measurable academic progress. District 17 does not desire to replace or duplicate the functions of the local public schools; however, persons may appeal for special admission on a course-by-course basis. Approval for granting an appeal is made by the college vice president or his/her designee.

ASSESSMENT AND PLACEMENT TESTING
While students attend college for a variety of reasons, most attend for the purpose of acquiring the knowledge and skills needed as preparation for entering a particular field of work or to complete the first two years of a four-year degree.

With this in mind, new and returning college students who have not been tested or advised by SCC or SFCC within the last three years will participate in an assessment program designed to assist in the selection of classes for proper placement and college success. The assessment process includes an evaluation for the purpose of determining current skill levels in reading, writing and mathematics. For those who have not taken ASSET or COMPASS, the college will administer one of these tests and a $20 fee will be charged. Students who have taken either of these tests within the last three years and wish to use those scores must have their scores on file prior to registration. Some career and technical programs use test scores as criteria for admission.

GUIDELINES FOR PLACEMENT/ASSESSMENT
Math (at SFCC MyMath or MPT-G, at SCC ALEKS) and/or English assessment (COMPASS or ASSET) is required for:

1. Students who have never tested.
2. Students who have test scores that are more than three years old.
3. Students who have math credits that are more than three years old. For more details, call the SCC Testing Center, 509-533-7074; the SFCC New Student Entry Center, 509-533-3401; or IEL, 509-276-6709.

Math and/or English assessment is not required for:

1. Students who have taken the COMPASS or ASSET within the last three years. CCS also accepts Academic Placement Testing Program (APTP) math scores from Washington public universities.
2. Students who have received a grade of 2.0 or better in college composition or mathematics classes from other institutions. Additionally, college transcripts must be on file to support this exception.
3. Students taking fewer than 10 credits, not enrolling in composition or mathematics classes and not pursuing a degree or certificate.
4. Students who are pursuing a Vocational Technical Program not requiring a Math class. (SFCC)
5. Students who took Pre-Calculus in high school and earned an A or B for two semesters. A high school transcript is required for verification and must be within one year of graduation. (SFCC)

SPECIAL SITUATIONS
Students with questions regarding credits for Advanced Placement (AP) test scores should refer to the Advanced Placement Program section in this catalog.

STUDENT SERVICES

ADMISSION REQUIREMENTS

GENERAL ADMISSION FOR HIGH SCHOOL GRADUATES, GED CERTIFICATE HOLDERS AND APPLICANTS 18 AND OLDER
Spokane Community College and Spokane Falls Community College have an “open door” admission policy that admits any graduate of a high school or any individual who holds a General Educational Development (GED) certificate. For information regarding international student admission, turn to the “Opportunities for International Students” section of this catalog.

Applicants who do not meet the above requirements, but who are at least 18 years of age, may be granted provisional admission by the college vice president or his/her designee. Admission in such cases is based on an applicant’s level of general education as defined by placement test scores that meet the Federal Financial Aid “ability to benefit” option.

Admission is granted on a “first-come, first-served” basis for as many students as the various programs can accommodate. Some programs may require satisfactory completion of certain prerequisites prior to admission or have special selection procedures; so, admission to the college does not guarantee acceptance in every program. Please refer to specific programs of study for further information and be aware that waiting lists do occur for programs in high demand.

It is important to begin the application process well in advance of the quarter for which admission is desired to allow time for application processing. Each college has slightly different admission procedures and registration schedules. More information or to request an application packet, please call, write, or e-mail the college directly.

SPECIAL ADMISSIONS FOR STUDENTS UNDER AGE 18
Applicants between 16 and 18 may be admitted to a college if they are deemed able to benefit from the college’s curricular offerings. Enrollment is limited to college-level courses numbered 100 or above. (This limitation does not apply to high school graduates or GED certificate holders.) In order to determine a student’s readiness for college-level courses, the student will be required to take a placement test which is administered at the colleges. Generally, a student must place at the college level in both reading and writing in order to be eligible for courses other than mathematics. To take mathematics courses the student must place at the college level in mathematics. Admission may be to individual courses or to a program as determined by admissions officials.

The policy is intended to expand opportunities for younger, qualified students who may not be enrolled in Running Start or other local student enrollment option programs. For currently enrolled high school applicants a release form for attendance at CCS that identifies approved credit classes and is signed by the student’s high school principal must be submitted quarterly. The intent of this policy is not to replace or duplicate the functions of local public schools.

ADMISSION PROCEDURES
Students may enter college at the beginning of any quarter (summer, fall, winter or spring). However, students should be aware that some programs of study may offer admission only during specific quarters. Please refer to individual programs of study for further information.

To apply for admission, the following should be on file in the Admissions Office of the college a student plans to attend:

- State of Washington Community College Application for Admission Form (obtained from a high school counselor, Admissions Office, or the college website)
- Official transcripts from other colleges are not required for admission, but may prove beneficial for purposes of general advising, verifying successful completion of intermediate-level algebra and English composition, and verifying courses that may fulfill prerequisites for other courses and/or programs at the college to which a student applies. Official transcripts can be used to document courses the student wishes to use toward graduation. Therefore, students are strongly encouraged to submit official transcripts from all colleges with their applications.
- Running Start students applying to SFCC are required to submit high school transcripts.
GUIDELINES FOR PLACEMENT OF ENGLISH SPEAKERS OF OTHER LANGUAGES (ESOL)*

1. Students currently enrolled in the IEL program English Speakers of Other Languages (ESOL) must satisfactorily complete a Level 6 English program before being permitted to enroll in courses at SCC or SFCC. A SLEP (Secondary Level English Proficiency) score of at least 50 is required to qualify for admissions. Placement in courses will be based on ASSET or COMPASS scores.

2. For ESOL students not currently enrolled in the IEL Level 6 English program, the placement guidelines are:
   - All students who call to schedule an assessment test will be advised of the placement tests for native and non-native speakers of English and will be scheduled accordingly.
   - When English is not the students first language (as self-identified), the student will be required to take the SLEP test before being eligible for admissions. Placement in courses will be based on ASSET or COMPASS scores.
   - Students scoring below 50 on the SLEP may reapply to take the SLEP upon completion of a Level 6 program and with the recommendation of their ESL instructor.

*Exceptions to these guidelines must be approved by the vice president of learning or designee at SFCC or the IEL, or the vice president of student and instructional services or designee at SCC, whichever is applicable.

GED TESTING

Persons interested in obtaining a General Educational Development (GED) certificate may schedule a GED test by calling 509-279-6200. Proof of age is required. Testing sites, schedules and further information may be obtained by calling 509-279-6000.

SCC and SFCC provide additional services in vocational achievement, guidance and interest survey testing for those who want or need help, individual information or evaluation. For more information, refer to the Counseling and Special Services section of this catalog.

Students can take classes to help prepare them for the GED test at several locations in Spokane, as well as rural sites. For more information, call 509-533-4600.

DUAL CREDIT PROGRAMS

RUNNING START

The Running Start program offered through CCS enables eligible high school students to seek expanded educational challenges. They may enroll simultaneously in high school and college classes, or solely in college classes, for the purpose of earning credit to be awarded both by the high school and by the college. Classes taken at SCC, SFCC or IEL as part of the Running Start program are limited to “college-level classes” numbered 100 or above and up to a total of 18 credits per quarter. Summer session is not covered under Running Start.

The tuition and fees of classes not covered under the Running Start program (over 18 credits or under 100-level classes) will be calculated at “resident” rate paid by the student. High school students who have lived in Washington State less than 12 months are eligible for resident status as a Running Start student. Running Start students who lack a residency status may be required to complete the Residency Questionnaire Form at the end of their tenure as a Running Start student. Depending on the answers, their post-Running Start residency status would be determined and their tuition would be calculated on that residency status: resident, nonresident or nonresident with waiver.

Exempt from having to pay tuition, Running Start students shall pay all other mandatory fees unless eligible for a fee waiver that began fall quarter 2009. A Verification of Eligibility letter for free or reduced-price lunches in the last five years is the required documentation to receive a fee waiver.

For more information, contact a high school counselor or the college counseling center: SCC, 509-533-8062; SFCC, 509-533-3524; or IEL in Colville, 509-685-2120 or 509-279-6710; Newport, 509-447-3835; or Pullman, 509-352-2706.

TECH PREP

Tech Prep allows high school students to earn college credit toward career and technical certificates and degrees without ever leaving high school. Through articulation agreements between the high school and SCC or SFCC, students who register in and complete designated high school courses with a B grade (3.0) or better and meet required competencies receive college credit at the same time they are completing their high school graduation requirements. To be eligible for credit, students must be currently enrolled in the high school class as credit is not awarded retroactively. To register for credit, contact your high school teacher.

Funds from the Carl D. Perkins Act support this program to help high school students make the transition into post secondary education, save on college tuition and fees, gain occupation skills and work-related experience, and train for demand careers. A complete list of eligible high school classes can be found at http://sers.techrep fiansearchArticulations.aspx. For more information, call 509-434-5164.

PHYSICAL EXAMINATIONS

Physical examinations are required of students entering some college programs. Health appraisals generally are valid within a six-month period prior to acceptance and enrollment at the college and for the two years following.

Tuition and Fees

The State Board for Community and Technical Colleges sets tuition rates for Washington state community colleges. For current information regarding tuition, fees and waivers go to http://icatalog.ccs.spokane.edu/fees.pdf, or contact the District Business Office at 509-434-5275 if you need a printed copy.

INSURANCE

Optional student accident insurance or combined accident and health insurance coverage for the student or the student and dependents may be purchased from the college cashier. For current coverage and cost, call the Cashier’s Office at: SCC 509-533-7025, SFCC 509-533-3569 or IEL 509-279-6005.

Student Classifications

RESIDENT AND NONRESIDENT STUDENT CLASSIFICATIONS

To be classified as a resident for tuition and fee purposes, a student must be either (1) financially independent and have established a bona fide domicile in the state of Washington for other than primarily educational purposes for one year immediately prior to the first day of the academic quarter, or (2) financially dependent and have one or both parents domiciled in the State of Washington for a period of one year immediately prior to the first day of the academic quarter. All other students are classified as nonresidents and will qualify for the nonresident with waiver tuition if a U.S. citizen or permanent resident alien.

Students are solely responsible for requesting information about documentation required to establish residency. To obtain information or to submit an application for a change of residency, contact the registrar at SCC or the assistant to the dean for student services at SFCC. It is the student’s responsibility to initiate the paperwork for change of residency request.

A student’s domicile is the true, fixed and permanent home and place of habitation where he or she intends to remain, and to which he or she expects to return when leaving without intending to establish a new domicile elsewhere. A student claiming to be domiciled in the state of Washington must prove that fact to the satisfaction of the college. Among the factors evidencing a domicile in this state are registration and payment of taxes and fees on a motor vehicle or other property where registration is required, a valid Washington driver’s license, permanent full-time employment in the state, evidence of physical residence in the state, voter registration in Washington and evidence of banking in this state. No one factor is conclusive and other factors may be considered.

Students may apply for a change in classification up to the 30th calendar day of the quarter in which the change is sought. Applications should be made at the Registrar’s Office at SCC or SFCC.

This is not an exhaustive discussion of residency, it is provided to inform students of the basic rules. Staff is available to answer questions in the SCC Registrar’s Office or in the SFCC Dean of Enrollment Services and Student Development Office.

Effective July 1, 2003, Washington state has changed the definition of “resident student.” The law makes certain students, who are not permanent residents or citizens of the U.S., eligible for resident student status and eligible to pay resident tuition rates when they attend public colleges and universities in this state. The law does not make these students eligible to receive need-based state or federal financial aid. To qualify
for resident status, students must complete an affidavit/declaration/certification if they are not permanent residents or citizens of the U.S. but have met one of the following conditions:

Condition One: (a) Resided in Washington state for three years immediately prior to receiving a high school diploma, and (b) completed the full senior year at a Washington high school, and (c) continuously resided in the state since earning the high school diploma.

Condition Two: (a) Complete the equivalent of a high school diploma, and (b) resided in Washington state for the three years immediately before receiving the equivalent of the diploma, and (c) continuously resided in the state since earning the equivalent of a high school diploma.

If you meet one of the above conditions and would like to pay resident tuition rates, contact the registrar’s office at the colleges to which you are applying to attend and request a copy of the HB 1079 Affidavit.

FINANCIAL OBLIGATION
Community Colleges of Spokane is authorized to place an “administrative hold” on the records of any student who fails to return property or promptly pay any financial obligation due the college. Until a hold is officially cleared SCC, SFCC or IEL:

■ will not release the student’s records or any information based upon the record.
■ will not release transcripts.
■ denies registration for a subsequent quarter, as well as graduation from the college.

Failure to make payment for class-related tuition or fee charges may result in disenrollment from classes.

SENIOR CITIZEN WAIVERS
Community Colleges of Spokane may grant tuition waivers for state-support college classes to resident senior citizens who are at least 60 years old. A fee of $2.50 per class (with a maximum of two classes for $5) will be charged. Class fees and parking are additional. This waiver does not apply to noncredit classes. Registration must be made in person and will only be accepted on or after the third day of the quarter on a space-available basis. Course may be taken for AUDIT ONLY, not college credit.

IEL SENIORS PROGRAM
Call the Seniors Program Office, 509-279-6027, to receive the program brochure and further information about scholarships, additional classes, and senior citizen waivers for on-campus credit classes. To register with payment by credit card, call 509-279-6030 or go to our web site at www.ccs.spokane.edu/ContinuingEd.

STATE-SUPPORT CREDIT AND NONCREDIT COURSES

REFUND POLICY
Students who withdraw in accordance with regulations may apply for refunds according to the following schedule:

■ 100 percent refund for classes/programs canceled by the college.
■ No refund after the 20th calendar day of the quarter.

Refer to the quarterly class schedule for the current refund information. This schedule prevails whether the student attends class or not. Refunds for classes that do not follow the regular academic calendar are applied on a timetable (as established above) in a proportionate relationship to the standard length of a quarter. Refunds for lab and course fees will be in proportion to the regular tuition refund schedule.

REDUCTION IN CREDIT HOURS
A refund of tuition and fees may be made if a student’s credit hour load is reduced.

Lab and course fees will be refunded at either 100 percent or 50 percent if the class is dropped during one of those designated refund periods; otherwise, no refund will be processed.

PROCESS FOR OBTAINING A REFUND
1. To obtain a refund, the student must complete and turn in to the registration office an official withdrawal or add/drop form by the refund dates published in that quarter’s class schedule.
2. The refund check will be mailed to the student or credited to the bankcard used within two weeks from the date the CCS district business office receives the withdrawal form or the add/drop form.

A $7 processing fee will be deducted from the refund amount.

3. Debts owed to the college must be paid in full before the refund is issued.

4. Tuition and fees paid by an agency, such as scholarship, financial aid or private grant, are refunded to the appropriate account.

5. Students dismissed for disciplinary reasons are not eligible for a refund.

EXCEPTIONS TO THE REFUND POLICY
Exceptions to the refund policy will be considered only if, in the judgment of the institution, an extreme hardship exists, such as by illness, hospitalization or military transfer. A student must submit an appeal for an exception to the refund policy in the form of written documentation to the dean of student services at SCC, SFCC or IEL before a refund may be considered.

All course offerings are subject to change. The college cannot guarantee class offerings, designated times or specific instructors, because funding levels and student interest may affect whether or not an offering is available.

Financial Aid
Many students who want to attend CCS need financial assistance to meet college costs. Grant assistance for eligible students is available through the Federal Pell Grant, Washington State Need Grant and State Institutional Grant programs. A number of tuition waiver programs exist for individuals meeting specific criteria. There are employment opportunities through federal, state and institutional work-study employment programs. Students may apply for Ford Federal Direct Loans (need or non-need based) and the Parent Loan (PLUS) through the Financial Aid Office.

To be considered for federal, state or institutional student financial aid, individuals must complete the Free Application for Federal Student Aid (FAFSA). Students must reapply each year. Applications may be filed after January 1 of each year for the following academic year. Students are encouraged to complete the application at www.fafsa.ed.gov. Applicants seeking further information and deadline dates should contact the Financial Aid Office at one of the colleges or visit the college financial aid web site: www.scc.spokane.edu, www.spokanefalls.edu or www.iel.spokane.edu. Many sources of financial aid are available from public and private agencies, including the Veterans Administration, Department of Vocational Rehabilitation, Bureau of Indian Affairs/Tribal Education Offices, and Department of Labor and Industries. Contact these agencies directly for eligibility requirements.

Financial aid recipients must enroll in an eligible program that leads toward a degree or certificate and maintain satisfactory academic progress (SAP) to continue receiving financial assistance. The SAP policy has two parts: Satisfactory Progress and Progress Toward Degree.

Satisfactory Progress is defined as completing a minimum of 12 credit hours in any given quarter in which the student is registered for 12 or more credit hours. A student registered for 9-11 credits (3/4 time) or 6-8 credits (1/2 time) must pass at least 9 and 6 credits respectively to be considered making satisfactory progress. A student receiving a Pell Grant based on less than 6 credits must complete all credits to meet SAP requirements. In addition, a student must maintain a cumulative grade point average of 2.0 or better at the end of each quarter of enrollment. Progress Toward Degree limits the number of quarters or credits for which a student will be considered for financial aid. Students must complete their degrees or certificates within 125 percent of the normal number of quarters or credits required to complete the degree or certificate. In addition, students must complete a set minimum percentage of their program coursework each year.

For complete financial aid regulations, call the SCC Financial Aid Office, 509-533-7017; SFCC, 509-533-3550; or IEL, 509-279-6031.

WORK-STUDY EMPLOYMENT
Work-study is a financial aid program that allows a student to work on-campus or with approved off-campus employers to earn money to pay for college expenses. By participating in the work-study programs students gain practical experience in the workplace while having a chance to see if the program of study they have chosen matches their expectations.

For more information, call the SCC Work-Study Placement Office, 509-533-8007; or SFCC, 509-533-3540.
WORKER RETRAINING PROGRAM
The Worker Retraining Program is designed to help eligible unemployed
workers receive funding, if it is available, for retraining through SCC,
SFCC or IEL. See the Continuing Education section for more details or
call SCC, 509-533-8056; SFCC, 509-533-3042; IEL, 509-532-3172; or
Colville, 509-279-6711.

WORKFIRST FINANCIAL AID PROGRAM
The WorkFirst Financial Aid Program may pay for tuition, books and fees
while eligible parents work and attend job training at CCS. WorkFirst
work-study also may be available. For more information about this program, call SCC, 509-533-8210;
SFCC, 509-533-3042; IEL, 509-279-6063; or Colville, 509-279-6711.

SCHOLARSHIP INFORMATION
The CCS Foundation awards hundreds of scholarships each year. Interested students should call the Foundation Office, 509-434-5122 or visit www.ccs.spokane.edu/Foundation/scholarships.aspx for a scholarship application and information. Applications are due March
15 for awards to be utilized the following academic year. A student only needs to complete one application to be considered for all Foundation
scholarships for which they qualify. Information regarding other scholarships and scholarship search is available through high schools, college career centers and the public library. Organizations, clubs and/or companies with whom students or their parents have some relation-
ship occasionally offer scholarships. It is extremely important to start early. Scholarships usually are awarded on an annual basis with the year
beginning in September.

SCC community, career and employment services and the SFCC career
and student employment center maintain comprehensive, up-to-date
scholarship resources. Both centers offer software programs, web sites, books, pamphlets and databases containing current local and national scholarship information. For more scholarship information, call SCC, 509-533-8009; SFCC, 509-533-3545; or IEL, 509-279-6031.

Veterans Affairs
Information and assistance are available to all veterans at the veterans
affairs office located on each campus. SCC’s Veterans Services Office
is located in the Lair, Building 6—Student Center, Community, Career,
and Employment Services. SFCC’s Veterans Affairs Office is located
in the Student Union Building (upper concourse). Students intending to
receive Veterans Administration (VA) educational assistance should coordinate with these offices to initiate the necessary applications for benefits.
For information, call SCC, 509-533-7027; or SFCC, 509-533-3504.

VETERANS ACADEMIC LOAD
Monthly compensation is made according to the following schedule.

All Chapters except 33
12 credits or more = full-time benefits
9–11 credits = three-quarter-time benefits
6–8 credits = half-time benefits
5 credits or less = tuition cost

Summer credits see coordinator for details.

Chapter 33 (Post 9/11)
7 credits or more = full BAH (monthly housing)
Summer credits: 5 credits or more = full BAH

The VA will pay solely for classes required for graduation in a selected
area of study. Meet with the campus veteran’s coordinator to ensure
class choices are appropriate for educational benefits.

VETERANS AND RESERVE/NATIONAL GUARD EDUCATIONAL
BENEFITS
Application for veterans and guard/reserve VA educational benefits is
initiated through the Veterans Affairs Office at SCC, 509-533-7027; or
SFCC, 509-533-3504.

A copy of Veterans’ DD 214 (member-copy 4) is required to initiate benefits.
Educational benefits are available to eligible members of the Selected
Reserves or National Guard who have a current six-year (or more)
commitment. A “Notice of Basic Eligibility” form is required from the
Guard/Reserve unit and must be presented to the campus veteran’s
coordinator to initiate benefits.
For more information regarding eligibility, contact a local Reserve or
National Guard unit.

VETERANS TUITION WAIVERS
Consult with the campus veteran’s coordinator regarding eligibility for
all veterans waivers (provide copy of DD 214): SCC, 509-533-7027; or
SFCC, 509-533-3504.

VETERANS STANDARD OF PROGRESS
A student receiving veterans’ educational benefits must maintain a
standard of progress required by CCS. A veteran who is academically
dismissed by CCS will be decertified with the VA and will not be re-
certified until the student is counseled and readmitted by the college
Academic Standards Committee.

Registering for Class
REGISTRATION
For registration dates consult the class schedule which is available prior
to each quarter online at www.ccs.spokane.edu.
Students who plan to register at Spokane Community College, Spokane
Falls Community College or the Institute for Extended Learning are
encouraged to confer with an academic adviser or counselor.

CCS uses web and in-person registration processes. For up-to-date
information on these processes, refer to the General Information sec-
tion of the quarterly class schedule available on the web at www.ccs.
spokane.edu. The current tuition and fees schedule can also be found
on the web.

SOCIAL SECURITY NUMBERS
Community Colleges of Spokane is required to collect the Social Se-
curity Number (SSN) or tax identification number from every student
who attends SCC, SFCC or the IEL. CCS will only release a student’s
SSN in accordance with state or federal law and will protect the SSN
from unauthorized use and/or disclosure. A student’s failure to provide
the SSN may result in administrative holds, and the student will be
subject to a $50 IRS penalty unless refusal to provide the SSN is due
to reasonable cause and not due to willful neglect. In order to protect
the SSN from unauthorized use and/or disclosure, a unique student
identification number (SID) is assigned to each student for internal
reporting purposes and registration.

CONCURRENT ENROLLMENT
Students may concurrently register for classes at SCC, SFCC and the
IEL. This allows the student flexibility in developing a class schedule.

Students receiving financial aid have certain limitations and should
consult the Financial Aid Office. Veterans should contact their veterans
affairs coordinator.

CONTINUOUS ENROLLMENT
Some classes are available on an open-entry and exit basis. For informa-
tion, contact the counseling center, admissions, or registration office.

VERIFICATION OF ENROLLMENT
Enrollment verification is provided to loan guaranty associations through the National Student Clearinghouse based on the information
uploaded from the colleges. For enrollment verification of other
outside agencies (e.g., Veterans Administration, insurance company,
etc.), students must submit their signed verification request to the
Transcript Office. A no-fee, self-service enrollment verification is avail-
able for students through the National Student Clearinghouse Student
Self-Service program at www.studentclearinghouse.org. This service
provides a printed proof-of-enrollment certificate and offers other
enrollment verification activities for free.

NAME CHANGES
It is the student’s responsibility to keep SCC, SFCC and/or the IEL ad-
vised of their correct name. Students who change their names during
the year are required to bring court documentation to the Registration
Office.

ADDRESS CHANGES
It is the student’s responsibility to keep SCC, SFCC and/or the IEL
advised of current address(es).

A student’s correct home, e-mail and/or local address are important on
all of his or her college records. Students will receive material through
mail or e-mail.

Address changes may be completed through the institution’s web site:
SCC, www.scc.spokane.edu; SFCC, www.spokanefalls.edu; or IEL,
www.iel.spokane.edu.
Credit Information

CREDIT HOUR AND LOAD

The “quarter credit hour” represents one class hour per week for the entire quarter. Laboratory and activity courses usually meet an additional hour each week per credit hour.

Most academic courses carry a credit range of 1-5 credits. Some career and technical courses exceed 5 credits because of program requirements. Students planning to enroll for more than 21 credit hours must obtain permission from a counselor, the student services dean over enrollment services, the registrar or a designee. If the cumulative overload credit hours are taken through CCS institutions, permission is required.

To make normal progress toward graduation in liberal arts, a student must earn a minimum of 45 credits a year in appropriate college-level courses. In career and technical programs, the student must satisfactorily complete the hourly credit requirements of the program.

Student credit hour enrollment categories are shown below: (See the Tuition and Fee Schedule at www.ccs.spokane.edu/currentCatalog.aspx.)

TRANSFER CREDIT

Community Colleges of Spokane follows the statewide policy for transfer of credits as endorsed by the State Board for Community and Technical Colleges. Credits from other accredited institutions in degree, diploma and certificate programs may be transferred upon approval. For more information on transfer credit and degrees, refer to the Academic Programs section of this catalog.

COOPERATIVE EDUCATION WORK EXPERIENCE

Students can earn credit through work experience. Cooperative education is an organized program of study and educational work experience available throughout the student’s college career. To enroll in cooperative education the student registers for supervised cooperative work experience and the related seminar in the department appropriate to his/her academic or occupational goals. An instructor/coordinator is assigned who interviews the student and assists in locating appropriate full- or part-time paid employment as needed. In the case of those already employed, the instructor/coordinator interviews the student to determine eligibility for cooperative education. Students also may receive cooperative education credit for some types of nonpaid work experience.

Three work options are available for earning credit:

- The student works part-time and attends classes on a daily basis.
- The student works full-time and attends classes part-time. This is of particular interest to evening students.
- A student may leave the campus to work full-time for a quarter, then return to resume his/her studies. This option is desirable where work experience is located outside the service area of the community college.

A student must be registered for cooperative education work experience to receive credit.

The following courses may be offered in each academic discipline at the discretion of the vice president of learning. Specific requirements and limitations concerning courses are available from the appropriate campus instructional administrator.

Cooperative Education Seminar 266 (1-2 credits) and Cooperative Education Work Experience 267 (1-18 credits) or Cooperative Education Work Experience 288 (no seminar) (1-18 credits) can be used to meet graduation requirements for professional/technical programs with the approval of the appropriate dean.

Cooperative Education is available in many programs. For more information, call SCC, 509-533-7249; or SFCC, 509-533-3545.

DISTANCE LEARNING / eLEARNING

Distance learning courses (online courses, hybrid courses, telecourses and interactive television courses) offer students an alternative to on-campus classes. The content, college credit, and transferability of distance learning courses to other institutions are equivalent to traditional courses on campus.
Distance learning courses are best for individuals who can work independently, effectively budget their time and set priorities. They are helpful for students whose job or home responsibilities limit the time they can spend traveling to or attending a conventional class. Motivation, study habits, communication with the instructor and organization are the keys to distance learning success.

eLearning instruction may involve the use of computers, televised lessons, text materials and/or on-campus sessions. Some courses require on-campus visits for discussion sessions, laboratories or testing. Students may enroll through SCC, SFCC or the IEL. See the types of courses below for more information. For current course listings, check the quarterly class schedule. Distance learning classes are identified with the words “Online,” “Hybrid,” and “Telecourse” in the class listings. Further information can be obtained by contacting SCC, 509-533-8240, www.scc.spokane.edu/dli/; or SFCC, 509-533-3216, www.spokanefalls.edu/elearning, e-mail sfcclearning@spokanefalls.edu; or IEL, 509-279-6208, e-mail ielandgt@iel.spokane.edu.

ONLINE COURSES
Online courses provide flexibility and convenience in pursuing your educational goals. Online courses are not self-paced. They have scheduled start and stop dates, regular assignments and project due dates, but since the classroom is online, you can work on your class at the time and place most convenient for you. Although online courses are more convenient, they are not necessarily easier. They have been developed with the same learning outcomes as regular on-campus college classes. Even though you do not attend class at a specific time and place each day, you will need to spend several hours working on the class (typically five out of every seven days for a 3-credit course). You must have access to a computer with an Internet connection and an e-mail account. Please visit the web sites listed above or consult the quarterly class schedule for current course listings.

HYBRID COURSES
A hybrid course meets on campus periodically and uses online delivery for the rest of the class. Students often will find lecture material, tests, discussions and other resources online for a hybrid course. Please visit the web sites noted above or consult the quarterly class schedule for current course listings.

TELECOURSES
A telecourse is a regular college credit course incorporating video/television to teach concepts, supplement textbook information and enable students to communicate with instructors or other telecourse students. Rather than a conventional class setting, telecourses rely on communication media to free students from time and location constraints. A quarter-long telecourse may include up to 30 video lessons broadcast on cable TV over a period of 10-12 weeks. One to four new videos are broadcast each week and repeat throughout a one-week period. Videos also are available for viewing at the SCC media center, SFCC library and the IEL center outside of the Spokane area. On-campus discussion sessions may be scheduled during the quarter. Please refer to the course syllabus for testing and on-campus attendance requirements. Visit the web sites listed previously or consult the quarterly class schedule for current course listings.

COLLEGE CREDIT BY NONTRADITIONAL MEANS
Community Colleges of Spokane is concerned about the educational needs of all people within its six-county district, not only those who at the formal educational institutions, but also those who are striving to advance educationally outside the formal school environment. CCS recognizes several methods by which students may receive college credit outside the traditional program of class attendance. Methods for evaluating nontraditional learning include credit by articulation; Certified Professional Secretary (CPS) evaluation; Certified Administrative Professional (CAP) evaluation; departmental challenge examinations; prior learning/life experience evaluation; Advanced Placement Program, sponsored by the College Board; and military education and experience evaluation.

Students who have made application to attend SCC, SFCC or the IEL shall be eligible for nontraditional credit evaluation. Credit awards will not be granted until the student has completed one full quarter of enrollment with at least 10 quarter credits earned.

The student must initiate a request for nontraditional college credit at SCC, 509-533-7026; SFCC, 509-533-3164; or IEL, 509-279-6001. Nontraditional Credit Awards:

- will not satisfy credit hour requirements in the veterans benefit program or any other financial assistance program.
- may be granted for prior learning/life experience following completion of a portfolio class and evaluation of the learning/life experience portfolio. (Additional costs for portfolio evaluation may be assessed.)
- must be approved by the appropriate department chair or designated department faculty member in the discipline for which credit is sought.

Students complete the application for Nontraditional Credit form (form CCS 4062). There is a nonrefundable $10 nontraditional credit evaluation fee for the Certified Professional Secretary (CPS) evaluation, departmental challenge examinations, and prior learning/life experience evaluation at the Cashier’s Office (Section A of the form). No fee is required for Advanced Placement Program credit or military education and experience evaluation.

Fees Are Charged At The Following Rates:

- Certified Professional Secretary (CPS) .......................$5 per credit processing fee
- Certified Administrative Professional (CAP) ..........$5 per credit processing fee
- Credit by Articulation .............................................$5 per credit processing fee
- Departmental Challenge Examinations ....................$5 per credit processing fee
- Prior Learning/Life Experience .....................................$5 per credit processing fee
- Military Education and Experience Evaluation .............. No fee
- Advanced Placement Program .................................... No fee

CERTIFIED PROFESSIONAL SECRETARY (CPS) OR CERTIFIED ADMINISTRATIVE PROFESSIONAL (CAP)
A student who has successfully completed 15 to 30 quarter hours of credit at SCC and/or SFCC may be granted further credit of up to 60-quarter hours upon completing the requirements of the CPS or CAP examination. Upon completion of 15 credits at SCC, SFCC and/or the IEL, 30 credits may be granted. Upon completion of the 30 credits at SCC, SFCC and/or the IEL, 60 credits may apply toward the requirements of an associate in applied science or associate of arts degree at SCC or SFCC. The designation as a CPS or CAP may permit specific credit to be given up to 60 credits.

The request for granting these credits by nontraditional means should be directed to the dean of instruction for business at SCC or SFCC. The student applying for CPS or CAP nontraditional credit must pay a nonrefundable $10 nontraditional credit evaluation fee. CPS credit processing fees are charged at the rate of $5 per credit.

CREDIT BY ARTICULATION
Agency — Individuals who have completed training through nondegree awarding agencies or institutions may apply for evaluation for credit; for example, recognized nursing and fire service training, law enforcement/corrections or fire science academies, certifications, licensing, etc. Official documentation of training or licensing is required. Training documentation will be evaluated by instructional faculty in the appropriate department. The student must pay a nonrefundable $10 nontraditional credit evaluation fee.

Students complete the application for Nontraditional Credit form (form CCS 4062). There is a nonrefundable $10 nontraditional credit evaluation fee for the credit by articulation evaluation at the Cashier’s Office (Section A of the form). Processing fees are charged for credit by articulation at the rate of $5 per credit. Payment of fees certifies that the grade and credit awards have been accepted as recorded on the Application for Nontraditional Credit form (form CCS 4062). Grade and credit awards will be posted to the student’s academic transcript. (Exception: No fee is required for high school Tech Prep students. For details, go to Tech Prep in the Dual Credit section of this catalog.)

DEPARTMENTAL CHALLENGE EXAMINATIONS OR PRIOR LEARNING/LIFE EXPERIENCE EVALUATION
Students who wish to apply for a course challenge or prior learning/life experience evaluation must be interviewed and approved through the instructional department. Students should have justification for their request, a high school or college transcript, portfolio and/or other information pertinent to the request for credit. A course may not be challenged if the student is currently enrolled in, has previously earned credit in or has previously audited the course. A student may challenge a course one time. The student has previously enrolled in and received a grade only with the permission of the appropriate dean and department chair and/or designated department faculty member in the discipline for which credit is sought. (For transfer courses please check with the receiving institution for policies concerning challenge credits.)
The student must pay a nonrefundable $10 nontraditional credit evaluation fee before taking an examination or having prior learning/life experience evaluated. Processing fees are charged at the rate of $5 per credit for the departmental challenge examinations and prior learning/life experience evaluation.

**ADVANCED PLACEMENT PROGRAM**

Students who do college-level study in high school can receive appropriate credit or placement or both on the basis of performance in the Advanced Placement program (AP). The AP program is sponsored by the College Board. An official copy of the AP College Grade Report and/or other information pertinent to the request for credit must be submitted. AP credit awards will not be granted if the student is currently enrolled in or has successfully completed or earned credit for the course. There are no fees for AP credit awards.

**EVALUATION OF EDUCATIONAL EXPERIENCES IN THE ARMED SERVICES**

The Armed Forces of the United States provide military personnel with a great variety of educational opportunities through formal service school training programs and off-duty educational activities. Since before World War II, the American Council of Education, in cooperation with other national educational organizations, has been interested in the development and evaluation of off-duty educational programs as well as the evaluation of the formal service training courses. In response to a need expressed by civilian educational institutions throughout the country, the council established in 1945 its Commission on Accreditation of Service Experiences as an agency to assist institutions by providing continuing evaluations of military educational programs in terms of academic credit.

For CCS to establish a means of management, evaluation, and award of credit for educational experiences in the Armed Services, the following procedures will be adhered to:

1. The student will request the vice president of student services or his/her designee to evaluate the student’s experiences in the Armed Services.
2. All students who have made application to attend CCS shall be eligible for credit evaluation. Credit awards will not be granted until the student has completed one full quarter of attendance at CCS with at least 10-quarter credits earned. (Students do not need to be enrolled during the quarter the credits are awarded.)
3. The following list will be considered educational experiences in the Armed Services:
   - Credit for military service including basic training.
   - Defense Activity Nontraditional Educational Services (DANTES) and College Level Examination Program (CLEP) courses and/or subject exams, ACT Proficiency Examination Program (ACT PEP) and the Regents College Examination Program (RCEP).
   - Training and service school training with the following departments: Air Force, Army, Coast Guard, Department of Defense, Marine Corps, National Guard, Navy.
4. The appropriate edition of A Guide to the Evaluation of Educational Experiences in the Armed Services (ACE Guide), published by the American Council on Education, and/or the Community College of the Air Force (CCAF) transcript and catalog, and/or Army/ACE Registry Transcript System (AARTS), and/or Sailor-Marine American Council On Education Registry Transcript (SMART) shall be accepted by CCS as the basis on which it evaluates and awards college-level credit for military training.
5. The student will verify his/her educational experiences by providing the college the following official records: AARTS Transcript (Army), CCAF Transcript (Air Force) or SMART Transcript (Sailor-Marine) that provide full and correct title of courses completed and course numbers.
6. Military experiences that cannot be equated to the current college catalog but evaluated as college credit shall be recorded as military credit without grade points awarded and counted towards degree and certificate programs as elective credit as indicated in the guide.
7. The college official evaluating the service training shall be responsible for documenting the awarding of credit by submitting an Application for Nontraditional Credit form with attached copies of documents verifying training. Original copies, dated and initialed by the college official, will be sent to the Registrar’s Office to be filed in the student’s permanent folder. A copy will be sent to the student.
8. Credit recommendations will not be provided by correspondence to individual veterans or service personnel on active duty unless he/she has made application with CCS.
9. No fees are assessed for the evaluation of educational experiences in the Armed Services.

*Other subject area scores may be considered with instructional department approval.*
Veteran students must provide the colleges (depending on their branch of service) an official copy of their AARTS Transcript (Army), CCAF Transcript (Air Force) or SMART Transcript (Sailor-Marine) for evaluation.

Guidelines from the Intercollege Relations Commission (ICRC) for the state of Washington for the associate of arts (A.A.) degree limit the use of credits granted for vocational training, military training including test, life and work experience, etc., to 15 credits — all to be counted as electives for the A.A. degree, with the exception of up to 5 credits of the 15 which may be used to meet section VI. HEALTH-RELATED/PE/RECREATIONAL/LEISURE ACTIVITIES, group A and group B. The A.A. degree for Spokane Community College (SCC) and Spokane Falls Community College (SFCC) will comply with these state guidelines for all military-related credit posted to a SCC or SFCC transcript. A.A. degrees with more than 15 “restricted” credits within the 90 credits required may have the degree refused by four-year institutions in Washington.

Academic Information

QUARTER SYSTEM
CCS operates on a quarter system: summer, fall, winter and spring. Academic calendars are posted at www.ccs.spokane.edu.

COURSE NUMBERS
Courses numbered below 100 are not considered college level and are not designed for transfer.
Academic courses numbered 100-199 inclusive normally are taken by first-year students.
Courses numbered 200-299 inclusive normally are taken by second-year students.

GRADING POLICY
Community Colleges of Spokane grading system provides a permanent record of grade evaluations that reflect, in various ways, successful course and program completion. The colleges operate on a quarter system. The quarter hour of credit is the unit of instruction.

GRADE LEGEND
Grades at CCS are reported in numerical fractions to the nearest tenth. The numerical grades are based on the letter grade system used prior to the 1986-87 academic year, and general equivalents are as follows:

<table>
<thead>
<tr>
<th>Numeric Grade</th>
<th>Letter Grade Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.8-4.0</td>
<td>A (superior achievement)</td>
</tr>
<tr>
<td>3.5-3.7</td>

<td>0.7-0.9</td>
<td>D-</td>
</tr>
<tr>
<td>0.0-0.6</td>
<td>F (failure)</td>
</tr>
</tbody>
</table>

GRADE SYMBOLS
Explanation follows symbol.
1. Incomplete — 0.0 grade points; no credit. Incomplete grades “I” may be issued only to those students whose work to date is passing but not completed at the end of the quarter. All “I” grades issued by an instructor should be accompanied by an “Incomplete Contract.” All incompletes must be made up prior to the official end of the next quarter with the following exceptions: (1) “I” grades earned spring quarter must be made up prior to the official end of fall quarter, and (2) “I” grades issued to students in the career and technical division of the college are to be made up according to a special schedule developed by the department chair and the chief academic officer, and (3) an incomplete that is not made up will default to the decimal grade listed on the Incomplete Contract.
N Audit — Special registration. 0.0 grade points; no credit.
P Pass — 0.0 grade points; credit not calculated in GPA. A passing grade may be issued in certain pre-designated courses or experience-related evaluations for credit rather than the regular grading system. Courses designated with a pass/fail option must be approved by the College Curriculum Committee prior to the beginning of a course.
F Fail — 0.0 grade points; credit calculated in GPA. Courses designated with a pass/fail option must be approved by the College Curriculum Committee prior to the beginning of a course.

Official Withdrawal — 0.0 grade points; no credit. All official withdrawals “W” prior to the seventh week of the quarter are the sole responsibility and prerogative of the student and must be initiated and completed by the student. The official withdrawal date for summer quarter will be prorated accordingly. To prevent a “W” grade showing on the student transcript, the student must drop the class or withdraw completely by the tenth day of the normal quarter, eighth day for summer quarter. Short courses will be prorated accordingly.

Exceptions to the refund policy will be considered only if, in the judgment of the college, an extreme hardship has been caused by illness, hospitalization, or military transfer. A student must submit an appeal for an exception to the refund policy with a completed official withdrawal form (CCS 40-133) and written documentation (letter from the doctor in the case of illness) to the registrar. For the case of medical withdrawal at the IEL and SFCC, in addition to the CCS 40-133 form the Medical Withdrawal Request Form must also be completed along with a written or typed letter on business letterhead from the student’s health care provider stating date(s) of care, the health condition being treated and the letter must state “Patient is unable to attend classes and must withdraw from school.”

Special Withdrawal — 0.0 grade points; no credit. All withdrawals of this type must be designated by the instructor on the regular grade sheet at the end of the quarter.
1. After consultation with the student prior to the end of the quarter, the faculty member may agree to grant a special withdrawal on the last day of the quarter. The decision to grant the special withdrawal is to be based on what is best for the student in light of his or her educational objectives.
2. In the event that a student enrolls for a class and stops attending, a special withdrawal may be granted only by the instructor on the last day of the quarter.
3. Students meeting attendance requirements of the instructor but doing failing work may be given a special withdrawal by the instructor. This must be changed by the instructor to a regular academic grade reflecting proper achievement level if requested by the student prior to the official end of the next quarter. The faculty member is under no obligation to agree to grant a special “Z” withdrawal.

Only faculty may change a “Z” grade to a decimal grade by delivering a signed grade change form to the transcript area at SCC and the Admissions/Registration Office at SFCC.

* Missing Grade — No grade received from faculty.

Academic Standards Requirements for “W” and “Z” Withdrawals
The following schedule applies to any combination of two or more “W” or “Z” symbols and will have a bearing upon academic standard requirements:
- First quarter: two or more — academic warning
- Second quarter: two or more — academic probation
- Third quarter: two or more — approval required prior to registration
GRADE POINT AVERAGE (GPA)
Grade point averages are calculated by dividing grade points earned by the credit hours attempted. The following is an example of a grade-point average computation:

<table>
<thead>
<tr>
<th>Credit Hours Attempted</th>
<th>Grade Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>5</td>
<td>3.0</td>
</tr>
<tr>
<td>x</td>
<td>15.0</td>
</tr>
<tr>
<td>3</td>
<td>4.0</td>
</tr>
<tr>
<td>x</td>
<td>12.0</td>
</tr>
<tr>
<td>4</td>
<td>2.0</td>
</tr>
<tr>
<td>x</td>
<td>8.0</td>
</tr>
<tr>
<td>5</td>
<td>1.0</td>
</tr>
<tr>
<td>x</td>
<td>5.0</td>
</tr>
<tr>
<td>1</td>
<td>0.0</td>
</tr>
<tr>
<td></td>
<td>0.0</td>
</tr>
</tbody>
</table>

Dividing 40.0 by 18 computes to a grade-point average of 2.22.

STUDENT GRADE APPEAL
The appeal order for a student who feels that he or she has received an unfair grade is as follows:
■ Instructor of the course
■ Department chair
■ Division dean
■ Chief academic officer

GRADE CHANGE
Students should request grade changes from the instructor prior to the end of the next quarter.

GRADE CHANGE IN ABSENCE OF INSTRUCTOR
Under extraordinary circumstances, and in applying due diligence, the chief academic officer will make a good faith effort to arrive at an appropriate grade.

GRADE REPORT
Grade/transcript information will be released to students seven days after the end of each quarter via the college Internet at SCC: www.scc.spokane.edu, and SFCC/IEL: www.sпokanefalls.edu. Students also may access the information via a campus/center, computer or kiosk. Grades/transcripts may be withheld if the student has a financial obligation to the college, which may include loans, library fines or delinquent fees.

HONOR ROLL
Students eligible for the President’s Honor Roll or the Vice President’s Honor Roll must meet the following minimum criteria.

1. Be a full-time student who has earned 12 or more quarter decimal grade credits as computed by the end of the quarter grading cycle.
2. Achieve a 3.50 or above for the President’s Honor Roll.
3. Achieve a 3.0 – 3.49 for the Vice President’s Honor Roll.

Pass credits are not computed in the quarterly or cumulative grade point average, therefore do not count as completed credits toward the honor roll.

The honor roll program that automatically enters the honor roll status on the transcript will be run only once, after the quarterly grading cycle. Exception: If the instructor has made an error in grading and the student should be on the honor roll, staff will manually enter the appropriate honor roll status onto the transcript.

GRADUATION
Students must petition for graduation to have their credits evaluated for the requirements of their respective degrees. Graduation ceremonies are held in June. Students completing their degree requirements at other times during the year are encouraged to return to participate in these activities. Students who finish their degree requirements during the summer quarter may participate in the June commencement. (Refer to the Degree and Certificate Requirements.) Participation in the commencement ceremony does not ensure completion of a degree and/or certificate.

HONOR CORDS
Students who achieve the following grade point averages (GPA), as calculated at the end of the last graded quarter prior to the graduation ceremony, or at the end of their last quarter of enrollment in credit classes, whichever comes first, will be designated by wearing honor cords when they participate in graduation.

SCC: A college-level GPA of 3.5 and above in completion of career and technical degrees/certificates and a college-level GPA of 3.5 and above in completion of an associate of arts degree.

SFCC/IEL: A cumulative GPA of 3.5 and above in completion of degree and one-year certificate requirements.

CLASS ATTENDANCE
Students are expected to attend all classes and laboratories. If absent due to illness or other unavoidable reasons, the student should contact instructors and make arrangements for completing missed assignments (see Academic Standards Policy).

ACADEMIC STANDARDS POLICY
Community Colleges of Spokane’s Academic Standards Policy is intended to support a successful learning experience for all students. Students enrolled in degree or certificate programs are expected to demonstrate satisfactory academic progress as defined by the following general policy requirements:

■ Minimum Grade Point Average: Students must achieve and maintain the required grade point average.

■ Degree/Certificate Completion: Students should complete the degree or certificate within the maximum credit limit.

Community Colleges of Spokane recognizes the unique and diverse backgrounds and needs of students, and while all students are held to the same level of academic excellence, students with special circumstances may petition for special consideration. Students enrolled in special programs are also required to follow the requirements specified by their funding agency. In addition, students receiving federal and/or state financial aid must follow the Financial Aid Satisfactory Progress Policies (as revised 11-16-04).

PROCEDURES
Minimum Grade Point Average
Students must maintain a quarterly grade point average of 2.0 or better and are encouraged to consult with instructors, counselors or faculty advisers, and student services support staff for assistance in achieving their academic goals and objectives. Students whose quarterly grade point average falls below a 2.0 are notified of progressive action, to include warning, probation and suspension. Students must have a final college-level GPA of 2.0 or better to receive a degree or certificate from Community Colleges of Spokane.

Degree/Certificate Completion
A student who is enrolled in a degree or certificate program must complete the program in at least 125 percent of the program’s credit requirements. A student in a degree or certificate program may not take college-level courses in excess of 150 percent of the credits needed to complete the degree or certificate. For the purposes of this policy, 90 credits will be assumed to be the program length unless otherwise indicated.

To assist the student in meeting this standard the college will monitor local, college-level credits leading to degree/certificate completion. A student who does not meet this standard will be subject to corrective actions.

Learning Resources

BUSINESS TECHNOLOGY CENTER (SCC)
The SCC Business Technology department offers individualized instruction in a broad selection of computer-based courses. Courses for 2.5-credits in Excel, PowerPoint, Access, Word, and Project are designed specifically for those who have an interest in learning more about these software programs. All of these courses meet for approximately five weeks. Five-credit courses for students preparing for an office career include Keyboarding 101, Document Processing 102, Word Processing 165, Information Processing 201 (Excel), Advanced Information Processing 202 (PowerPoint and Access), Machine Transcription 235, and Integrated Office Applications 263.

All of these courses are offered during the day and the evening, on Saturdays, and online via the Internet. For more information, call SCC, 509-533-7434.

LEARNING RESOURCES CENTER (SCC)
The Spokane Community College Learning Resources Center (LRC) houses the Instructional Services (IS) division — the Library, Media Center, and Web Services — as well as two eLearning classrooms and some of the Information Services offices. The IS division offers leadership and support for outcomes-based teaching and learning by providing
The Center for Entrepreneurship offers a hands-on approach to training future business leaders and entrepreneurs. The center offers a three-quarter Entrepreneurship Certificate program where students create a business from the ground up. College instructors working together with local business and community leaders guide students through the process of starting and launching a business. Faculty and staff work closely with the SBA, Small Business Development Center, local Chambers of Commerce, Society of Retired Executives (CORE) and many others. Advisory committee members are successful entrepreneurs, lenders, business consultants, accountants and legal experts. The center's instructors bring a wide variety of specialties and expertise to the program and have a wealth of information to offer future leaders through instruction, advice and resources. The Center for Entrepreneurship is conveniently located in a state-of-the-art facility, specially designed for business success, in Building 1, Room 127 on the SCC campus. For more information, visit http://cfe.scc.spokane.edu or call 509-533-7372.

**STUDENT SUPPORT CENTER NORTHERN COUNTIES (IEL)**

The Student Support Center provides students with additional resources to reinforce classroom instruction. The center assists students in strengthening their study skills and provides a wide variety of academic services that promote academic excellence and success. Located in Room 111 of the Institute for Extended Learning, Colville Center, tutors are available for a variety of subjects. Distance tutoring to other northern counties centers is available via webcam and phone appointments. The center also has computers and assistive technologies for student use. General information and referrals for additional programs and services such as PACE, Disability Support Services and Veteran's Services are also available in the Student Support Center. Full services are offered Fall, Winter and Spring quarters with limited services available Summer quarter. For more information, call 509-685-2122.

**TUTORING CENTER (SCC)**

SCC's Tutoring Center includes a mathematics lab, English writing center, language lab and computers for students to use, and provides tutoring in up to 20 academic/professional technical disciplines. Developmental lab-based classes (Math 20 and English 98) are held in the tutoring center. Tutoring in mathematics, English and computing is available all hours the center is open; tutoring in other areas is available on an as-needed basis and as tutors are available. Four computer classrooms are housed in the center. The main area has 16 computers dedicated to walk-in use. Two computer classrooms house 24 computers each which are available for walk-in use when classes aren't scheduled. The language lab has nine computers with Rosetta Stone interactive software supporting Spanish, French and Chinese curriculum. All computers have Internet access, printing capabilities including color, and a wide variety of academic software supporting SCC's programs and courses. Currently, the center employs approximately 45 tutors, who are SCC students, students from local universities and paid or volunteer professional staff.

The center's mission is to provide a supportive learning environment where every student is valued and encouraged to excel academically while successfully pursuing professional and personal goals. The SCC Tutoring Center is located in Building 1, Room 1220. For additional information, call 509-533-7322.

**COMMUNICATIONS LEARNING CENTER (SFCC)**

The SFCC Communications Learning Center (CLC) is designed to help students improve their reading, writing and study skills. Faculty members identify each student's strengths and weaknesses and tailor programs to meet individual needs. Students may enroll in these self-paced, variable-credit courses throughout the quarter on a space-available basis until the last two weeks. Two-credit sections of Read Right® start at the beginning of each quarter and at mid-quarter. The Communications Learning Center is located in Building 5, Room 113. For more information, call 509-533-3604.

**MATH SERVICES (SCC)**

Math services are available in the SCC Math Services located in Building 1, Room 127. Math services include tutoring in up to 20 areas of study, including algebra, calculus, computer science, economics, finance and more. For more information, call 509-533-7372.

**BUSINESS MATH CENTER (SFCC)**

The SFCC Business Math Center (BMC) is located in Building 24 (snw1-y2m), Room 101. Students learn practical and basic business number skills and the use of the business desktop calculator. They learn at their own pace and receive one-on-one instruction and encouragement from staff. Courses range from 1 to 5 credits depending on the student's need or program requirement. For more information, call 509-533-3703.
**COMPETENCY-BASED EDUCATION LAB (SFCC)**
The Competency-Based Education (CBE) Lab is primarily a Mac computer lab located in Building 19, Room 216. It supports the Visual & Performing Arts Division as well as the Business, Professional Studies & Workforce Education Division. The CBE Lab includes a graphics/web design lab, interpreter training lab, PC AutoCAD lab, test proctoring room, and open lab area and open lab space for all currently enrolled students. A wide variety of graphics, multimedia, office, and Internet applications are available.

For more information, call 509-533-3418.

**LIBRARY (SFCC)**
The Spokane Falls Community College Library is in the center of the campus and at the heart of the college’s educational mission. It has traditionally been a busy and popular destination for students needing to study, read, check e-mail or just relax. During the library’s enlargement and remodel (2004), particular care was taken to provide well-lit, comfortable reading and study spaces to maintain the library’s central place in student life.

The library houses the principal campus computer center. Internet access and Microsoft Office software are available at more than 60 computer stations. SFCC students have been notably generous with their technology use fees to ensure the library has up-to-date equipment including a small collection of laptops available for checkout. Students can also access the Internet with their own computers via wireless network or through conveniently located ports.

Media collections include educational, feature and foreign films. All are available for viewing and classroom use, and some may be checked out. A growing collection of audio books supports ESL and developmental reading classes.

Library faculty and staff are highly regarded for friendly service and expert assistance in person, via telephone, e-mail and online chat. Library faculty teach classes and provide individualized instruction on campus as well as online. The library also maintains an extensive web site with resource guides and tutorials to assist students and the public with the research process.

For additional information, call 509-533-3800 or access the library at [http://library.spokanefalls.edu](http://library.spokanefalls.edu).

**COUNSELING AND ADVISING**
Educational, career and personal counseling services are available to all students through the counseling centers at Spokane Community College, Spokane Falls Community College and the Institute for Extended Learning. Students may obtain professional counseling services prior to registration to plan their complete program of study.

For more information, call the Counseling Centers at:
- SCC: 509-533-7026
- SFCC: 509-533-3525
- Fairchild AFB Education Center: 509-533-8937

**DISABILITY SUPPORT SERVICES (DSS)**
Community Colleges of Spokane has support service programs and centers for students who have documented disabilities and who are “otherwise qualified” for community college programs (as defined by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act). Services may include academic, vocational and rehabilitation counseling and assistance with admission and registration. Because the nature and scope of services may vary between institutions, you should check with each institution’s DSS office for details.

Academic accommodations and adjustments are available based upon individually determined needs and may include interpreters, assistive learning devices and technology, note takers, readers, scribes, materials and textbooks in alternate format, large print or Braille materials, priority registration, alternate testing, information and referral services. Other specialized services may be arranged on an individual basis.

To receive services, students are required to contact and provide documentation of their disability to the Disability Support Services (DSS) office at SCC, SFCC or the IEL. All inquiries and requests for services are considered private.

For more information:

**MULTICULTURAL STUDENT SERVICES**
Each college has a Multicultural Student Services Office to assist multicultural community members with financial, academic and personal counseling. At SCC, this office is located in the Multicultural Center, Building 6, Room 115.

The SFCC Multicultural Student Services Office is located in Building 17, Room 130. The program provides a variety of services to multicultural students. Primary assistance is for academic and financial aid needs. The program also provides tutorial and career counseling to students.

SFCC organizes and offers a variety of diversity programs each year through the student organizations advised through this office. The clubs are the Red Nations Student Association, the African American Association and the MEChA Club.

The IEL has a Diversity Program which assists students from diverse backgrounds with financial, academic and career counseling. The office sponsors a variety of programs focusing on issues of diversity. The office is located in the IEL Magnuson Building Room 220D across from the SFCC campus.

For more information, call SCC, 509-533-8875; SFCC, 509-533-3546; or the IEL, 509-279-6081.
STUDENT EMPLOYMENT SERVICES

SCC and SFCC offer part-time, full-time, seasonal and graduate job referral assistance online. Materials regarding job search and resume writing also are available. All services are free and accessible on a drop-in basis. For more information, call SCC Community, Career and Employment Services Office (Lair Building 6), 509-533-7249; SCC WorkSource, 509-533-8070; SFCC Career and Student Employment Center (SUB Building 17), 509-533-3545; SFCC WorkSource, 509-533-3540; or the IEL (Magnuson Building 27), 509-279-6065.

Work-study employment is offered to students who have applied for financial aid, expressed an interest in student employment on their FAFSA, and are eligible for the program. Institutional work-study employment is also available on campus for students who do not qualify for financial aid work-study. For more information, call the SCC Work-Study Placement Office (Building 50, Room 118C), 509-533-8007; or SFCC Career and Student Employment Center (Building 17, Room 226), 509-533-3540.

CAREER INFORMATION

Career planning services at SCC include a number of computerized resources: career interest inventories, a scholarship database, WinWay Resume software and Internet access for students or community members to utilize for job search or career planning activities. Reference materials include career information files (over 600), vocational biographies, career planning guides, periodicals, college catalogs, books, Graduate Placement reports, and materials regarding job search and resume writing. Labor market trends, forecasts and projections are available on the computer and in written form.

For more information, call 509-533-8009. The SCC Community, Career and Employment Services Office (Lair Building 6) is a WorkSource Spokane affiliate site. The SFCC Career Center, located in Building 17, Room 226, has a variety of resources available for obtaining occupational and educational information. Numerous software programs provide opportunities for self-assessment, as well as educational, occupational and scholarship information. Students have Internet access in the center for online registration and research pertinent to their education. College, university and career and technical school catalogs and transfer guides are available in the center. Transfer advisers from area four-year colleges are available by appointment on a regularly scheduled basis. Printed resources in the center include vocational biographies, brochures, career planning guides and books. Labor market trends, forecasts and projections also are available, as well as videotapes describing careers, colleges and education programs. Scholarship information, in both printed and computerized format, is available for local, state and national scholarships. The SFCC Career Center is a WorkSource Spokane affiliate site.

For more information, call SFCC, 509-533-3540.

CAMPUS TOURS

Community Colleges of Spokane welcomes students individually or in groups to visit the campuses, tour its facilities, and connect with faculty and staff.

For information regarding tours, call SCC, 509-533-TOUR and SFCC, 509-533-3542.

SERVICEMEMBERS’ OPPORTUNITY COLLEGE

Spokane Community College and Spokane Falls Community College are Servicemembers’ Opportunity Colleges (SOC). Each college, through its actions, assumes its responsibilities of meeting the needs of an individual and immediate family members (wife, husband, children in domicile) serving in the Armed Forces in their quest for an educational experience. In order to meet this need, CCS has:

- admission policies that relate to the life conditions of the servicemember and eligible family members;
- adjusted residency requirements for the servicemember and eligible family members that hinder educational progress;
- provided special services to meet the special needs of service members and eligible family members.

Since mobility makes it unlikely that a servicemember can complete all degree program requirements at one institution, a SOC institution designs its transfer practices for servicemembers to minimize loss of credit and avoid duplication of coursework, while simultaneously maintaining the integrity of its programs. Consistent with requirements of a servicemember’s degree program, a SOC institution follows the general principles of good practice outlined in the Joint Statement on the Transfer and Award of Credit. Each institution may be required to submit documentary evidence that it generally accepts credits in transfer from other accredited institutions, and that its credits in turn are generally accepted by other accredited institutions.

Call the Fairchild AFB Education Center, 509-533-8937; SCC Counseling, 509-533-7026; SFCC Counseling, 509-533-3525; SCC Veterans Affairs, 509-533-7027; or SFCC Veterans Affairs, 509-533-3504 for details regarding the services available while attending a SOC institution. (General guidelines are listed in the SOC Guide Handbook.)

TESTING

Assessment and placement is described in the Admissions section.

VETERANS

Information specific to veterans can be found in the Veterans Affairs section.

International Students

OPPORTUNITIES FOR INTERNATIONAL STUDENTS

Spokane Community College (SCC) and Spokane Falls Community College (SFCC) welcome the applications of students from other countries. Both colleges offer international students an opportunity to pursue a quality career/technical or liberal arts education and to live in an All-American city with a metropolitan population of more than 500,000 people. For students who wish to stay in the U.S. for study beyond a two-year degree, the community colleges prepare students for easy transition to four-year colleges and universities.

An important objective for Community Colleges of Spokane (CCS) is to maintain a diverse student population. International students from all countries are encouraged to apply to SCC or SFCC. The colleges support diversity by welcoming international students from around the world. Resident or international students interested in international programs can talk to the counseling staff or call the International Programs Office directly at SFCC, 509-533-3242; or SCC, 509-533-8659.

Through its strong academic programs, international students can complete the first two years of study at CCS then transfer to the four-year institution of their choice to complete a bachelor’s degree, or international students may choose to enroll in one of nearly 100 specialized career and technical programs offered at SCC and SFCC.

International students have a very high rate of academic success at CCS and find that living and studying in Spokane is both rewarding and satisfying.

INTERNATIONAL STUDENT ADMISSION POLICY

International students are admitted by the International Programs Office upon receipt of the following information:

1. A completed application form and $40 application fee.
2. Evidence of high school graduation or equivalent.
3. English translation of high school and college-level transcripts (also include any U.S. transcripts).
4. Documented evidence of financial support for $16,000 (U.S. Immigration and Naturalization Service requirement).

ENGLISH PROFICIENCY

To be admitted to SCC or SFCC with unrestricted access to all non-English as a Second Language (ESL) classes, all nonnative speakers of English must demonstrate their proficiency in English. There are different ways to do this:

- Students may have unrestricted access to academic classes at SCC or SFCC with the submission of the TOEFL Score of
  - 500 Paper
  - 173 Computer
  - 61 IBT
- IELTS score of 5.0
- Students who complete the intensive ESL program at SCC or SFCC may be unconditionally admitted to Community Colleges of Spokane institutions. In addition, English language proficiency can also be satisfied by program completion and a letter of recommendation from a U.S. Intensive English Language Program such as those at Eastern Washington University, Gonzaga University, University of...
24

■ Graduation from a U.S. high school.
■ U.S. college transfer (a minimum of one complete quarter that includes one course equivalent to English 101 with a minimum grade of 2.0).

If English ability does not meet any of the above criteria, but all other admission requirements have been met, the student can be granted conditional acceptance with the understanding that he/she will meet the English language requirements prior to official admission.

ENGLISH AS A SECOND LANGUAGE (ESL) PROGRAMS

There are ESL programs at both SCC and at SFCC. Both include intensive programs that offer from 20 to 22.5 hours of ESL per week. In addition, they are specifically designed to prepare students for entry into college studies. By completing either of these programs, the student will receive an unconditional acceptance to SCC or SFCC without having to submit any outside test of English proficiency; no TOEFL required.

These programs are designed to raise students’ English proficiency quickly, so the student can enroll in other non-ESL courses. In addition, both programs are designed to improve the full range of English language skills: reading, writing, speaking, and listening.

The two ESL programs are:

■ Spokane College of English Language (SCEL) at Spokane Community College
■ Intensive English Language Program (IELP) and Bridge Program at Spokane Falls Community College

SPOKANE COMMUNITY COLLEGE – SPOKANE COLLEGE OF ENGLISH LANGUAGE (SCEL)

The SCEL at SCC prepares students for entering Spokane Community College by quickly raising their English language proficiency. Call 509-533-8659 or 509-533-8885 for more information. This ESL program offers:

1. INTENSIVE/SUPER INTENSIVE ENGLISH

This program is designed to improve overall competency in English. It prepares students for entry in Spokane Community College and Spokane Falls Community College programs and future university studies. Classes meet between 9 a.m. and 3 p.m. daily. There are three levels from elementary to advanced. Each level is 12 weeks long, and students move up based on progress within the class and final exams in writing, speaking, listening, reading and grammar. Students in this program receive 22.5 hours of class per week.

2. CERTIFICATE/DIPLOMA IN ENGLISH

This is a 12 or 24-week academic program for students seeking proficiency in English. This program is perfect for a student wishing to take international or U.S. exams. Each class is 12 weeks long. Students move up based on progress within the class and final exams in writing, speaking, listening, reading and grammar.

3. ENGLISH FOR ACADEMIC PURPOSES (EAP)

Spokane Community College has a partnership agreement with SCEL whereby students can study EAP courses at SCEL. Completing EAP meets English entry requirements for SCC undergraduate programs. Students in the EAP program are eligible to take one regular college credit course at SCC while they are completing their ESL studies. The college course can be selected from any of hundreds of courses offered each term. This program has a prerequisite of passing an English entrance test to qualify for this program.

■ Students attending SCEL have the opportunity to participate in student activities at SCC: all college clubs, all college activities, and all college facilities;
■ All classes are held on the campus of SCC.

SPOKANE FALLS COMMUNITY COLLEGE – INTENSIVE ENGLISH LANGUAGE PROGRAM (IELP)

The IELP supports international students in the accelerated development of English language proficiency as well as academic and cultural competencies needed to succeed at both colleges of CCS as well as other institutions of higher education and/or in the private sector in the United States.

Methodology: This program provides a curriculum that is student-centered and focuses on communicative competence as developed through authentic, practical interaction among students.

Focus: The IELP is a four-level, 20-credit college-preparatory program established within the English Department of SFCC. It offers excellent, individualized instruction in Writing, Reading, Listening, Speaking, Grammar, Research, and Study Skills. In addition, in the project-oriented English 195 “English in Action” class, students can earn college-level credit. Upon completion of the IELP, students are ready to begin regular college-level classes to earn a degree, complete a technical/professional program, earn a certificate, or just take a few classes before returning to their universities and careers in their home countries.

Levels:
■ High Beginner (50-level)
■ Low Intermediate (60-level)
■ Intermediate (70-level)
■ Upper Intermediate/Advanced (80-level)

Instructors: All IELP instructors are SFCC English Department faculty who hold Masters and/or Ph.D. degrees and have extensive ESL teaching experience both at colleges and universities in the U.S. and abroad.

Class Hours: IELP classes meet daily from 9:30 a.m. to 3:30 p.m. for 20 hours per week. Because the program is part of SFCC’s course offerings, all classes are on the same quarter system (10-12 weeks) as all other classes on campus.

Advising: The IELP provides personalized academic advising through our International Student Academic Advisers.

Technology: Cutting-edge software for language acquisition and computer resources are available within state-of-the-art classrooms and in the International Computer Lab (ILC).

Facilities: IELP students have full access to all SFCC facilities, e.g. Fitness Center, Library, Spartan Theater, Recreation Center, and all college activities.

Integration: Student involvement in the college, district, and community is promoted by means of Service Learning programs (incl. the International Peer Mentor program), campus clubs and organizations, including the International Club and Phi Theta Kappa, and involvement in community participation projects. In addition, most students take advantage of the Homestay program, which allows them to live with an American family.

Contact: International Programs, 509-533-3242 or 509-533-4113; Intensive English Language Program, 509-533-3581 or 509-533-3561.

ACADEMIC REQUIREMENTS

International students must successfully complete 12 credits each quarter, maintain a minimum grade point average of 2.0 (C grade) and progress through an academic program at a reasonable rate. Students who do not meet the above requirements are placed on academic probation. Students who remain on academic probation for two consecutive quarters may be dismissed from the college.

EXPENSES

Because individual tastes and habits vary greatly, it is impossible to predict exact expenses for attending SCC or SFCC; however, the minimum cost for a nine-month academic year at the community college is approximately $16,000. This includes tuition, fees, books, supplies, health insurance, housing, meals, local transportation and personal expenses (costs are subject to change).

In 2009-10 the average education and housing costs for three quarters for international students were tuition and fees $9,000; housing and meals $5,000; miscellaneous $2,000 for a total of $16,000 for one academic year.

FINANCIAL AID

U.S. financial aid is NOT available to international students and on-campus employment is limited. Therefore, students must provide their own financial resources for tuition, fees and living expenses.

International students are encouraged to participate in college work-study programs. Work-study prepares students for future employment by providing experience with hiring, training, supervision and relations with the public and other staff members. It is a unique opportunity to earn while learning.

STUDENT VISAS

International students admitted to SCC or SFCC are issued an I-20 form which must be presented at the U.S. Consular Office during the visa application process. In addition, the student should present documentary evidence of financial support and a passport which must be valid for at least six months. Other visa regulations apply. It is recommended
that international students visit the U.S. State Department web site for further details, www.unitedstatesvisas.org

Call the International Programs Office, 509-533-3242 or 509-533-8659 for more information.

SPECIAL PROGRAMS

SCC and SFCC offer several unique and important programs to support their international students. These programs offer opportunities for increased cultural exchange opportunities between SFCC/SCC students, Spokane residents and international students.

INTERNATIONAL PEER MENTORS PROGRAM

The International Peer Mentors (IPM) program matches international students with American (resident) students in peer mentoring teams. This unique program provides peer support for international and Americans that enhances each student’s access to intercultural experience, relationship and communication practice. In particular, the IPM program is an opportunity for international students to:

- Develop an international friendship.
- Improve English language skills.
- Gain a greater understanding of another culture.

COMMUNITY FRIENDS OF INTERNATIONAL STUDENTS

The goal of Community Friends of International Students is to promote intercultural exchange and friendship between Spokane area residents and international students. Students and their community friends share leisure, family and community activities once a month for one to three quarters.

The Community Friends program provides international students with an additional point of contact within the Spokane community and offers a further opportunity for social exchange.

HOUSING ACCOMMODATIONS

Several types of housing are available for international students attending SCC or SFCC. Students may apply to live with an American family through the Homestay Program or locate their own apartment. For those interested in apartment living, CCS provides a housing list that includes commercial and home-sharing apartments available in locations convenient to the campuses. The web site www.LivingChoices.com is helpful in locating an apartment. Additional information is contained at the International Programs web site www.spokanefalls.edu/International.

The Homestay Program offers international students the opportunity to improve communication skills, experience American culture on a personal and daily basis and build a long-term relationship with an American family. Learn more about the American Homestay Program by visiting www.spokanefalls.edu/International or e-mail teresag@spokanefalls.edu.

Campus Services

BOOKSTORES

Community Colleges of Spokane operates two bookstores—one in the Lair Student Center at Spokane Community College; the other in the Student Union Building at Spokane Falls Community College.

Students are encouraged to shop early in the store or order their textbooks or list books they want to sell to other students.

A textbook buy-back service is offered at the end of each quarter. During these dates, students can use the bookstore web site to receive a quote for their textbooks or list books they want to sell to other students.

To find information regarding textbooks required for your classes, go to http://bookstore.ccs.spokane.edu/spokane

Current bookstore hours can be found online. For more information, call SCC, 509-533-7087 or SFCC, 509-533-3565. Northern county students should contact their local center or SFCC. Pullman students should call the Pullman Center, 509-332-2706; The Crimson & Gray in Pullman, 509-332-1440; or the Barnes & Noble at the Bookie, Too! 509-334-3661.

CAMPUS PARKING/DRIVING

Students, faculty, administration, college personnel, guests and visitors shall not stop, park, or leave a vehicle whether attended or unattended upon the campus without a parking permit issued pursuant to WAC 132Q-20-040, except guests and visitors who will be given a reasonable time to secure a temporary guest permit from the appropriate vice president or designee. Parking meters are also available for students, employees or guests to park on campus. Meters are located along SCC Building 1 and along Ralph Street in front of Building 15. For specific and detailed parking information, consult WAC 132Q-20 at http://apps.leg.wa.gov/WAC/default.aspx?cite=132Q-20 or go to www.scc.spokane.edu/?sec. Parking permits are available at the Cashier’s Office on each campus. The schedule of parking fees and fines is posted on www.scc.spokane.edu. CCS encourages carpooling and bus transportation whenever possible.

CHILDCARE

Childcare services are available at CCS for the children of students. The programs charge childcare fees and accept children through self-pay, state and federal aid programs with year-around registration. Programs are state licensed and are Head Start and Early Head Start sites with infant, toddler and preschool classrooms. Head Start and Early Head Start are federally funded programs for families meeting enrollment guidelines. Full-time students receive priority for enrollment.

BIGFOOT CHILDCARE CENTER AT SCC is located north of the Health Science Building. Day and evening hours are available. For information, call 509-533-7170.

EARLY LEARNING CENTER AT SFCC, in the Human Services/Education Center, also is a lab school for the Early Childhood Education program. For information, call 509-533-3624.

ADULT EDUCATION HEAD START CENTER, at 2310 N Monroe Street, offers limited full-day infant, toddler and preschool-aged childcare for students. For information, call 509-533-4650.

HILLYARD HEAD START CENTER, at 4410 N Market Street, offers limited full-day infant, toddler and preschool-aged childcare for students. For information, call 509-533-8519.

EVENING CHILDCARE: Childcare services are located at Bigfoot Childcare Center at SCC. Operates Mondays-Thursdays and hours may vary. Serves infant through 12 years. Priority for enrollment is given to any PELL eligible student attending SCC, SFCC or the IEL. For information, call 509-533-8268.

TRANSPORTATION

Bus transportation is provided by the Spokane Transit Authority (STA) through a variety of routes. STA buses typically arrive and depart on a half-hour basis on weekdays and every hour during evenings and weekends or according to STA’s published bus schedule. At SCC, STA bus schedules are available in the Student Activities Office in the Lair Student Center and in the student services building. At SFCC, bus schedules are available in the Student Union Building at the Student-Funded Programs Office. At the IEL, bus schedules are available at the Lodge, Adult Education Center, Hillyard Center and Esmeralda Center. Bus passes are also available at a discounted rate in the cashier’s office on a first come, first serve basis.

STUDENT ACCIDENT AND SICKNESS INSURANCE

Optional student accident insurance or combined accident and sickness insurance coverage for the student or the student and dependents may be purchased at the time of registration. The insurance remains in force as long as the student remains enrolled in school and pays the premium each quarter. The student must be registered for 6 or more credits per quarter to be eligible.

Brochures describing the coverage are available at the SCC, SFCC or IEL Cashier’s Office.

HEALTH CARE

SCC has partnered with a private health care provider to offer health care to its students. SCC’s clinic is open four days a week in the medical assistant lab in the Health Sciences Building (9). SCC offers mental health counseling in the Student Services Building (15). By showing their SFCC ID card, SFCC students can also utilize this SCC resource.
SAFETY
The well-being and safety of students, faculty, staff and visitors are of primary importance to CCS. Individuals are responsible for cooperating with one another to achieve a safe and healthful learning and working environment. For further details, refer to WAC 132Q at http://apps.leg.wa.gov/WAC/default.aspx?cite=132Q-94.

All accidents are to be reported on the Incident/Accident Report Form (CCS 1220), available from department secretaries in campus buildings and in the Security office.

SECURITY
Security services for students and staff are provided by security officers on each campus. At SCC, the Security Office is in Main, Building 1, Room 149. At SFCC, the Security Office is in Student Union Building, Room 125.

Thefts, accidents, lost and found, vehicle jumpstarts, key lockouts or any other inquiries or incidents related to security should be directed to this office. Security also coordinates escort services for students and staff to their automobiles or across campus.

At SCC, call 509-533-8624 weekdays or 509-475-7035 (24 hours), or visit www.scc.spokane.edu/?sec. At SFCC, call 509-475-7040 at any time (24 hours).

HOUSING ASSISTANCE
Community Colleges of Spokane does not provide living accommodations for students. Students may call the Student Activities Office at SCC 509-533-7081, or the Student-Funded Programs Office at SFCC, 509-533-3553, for information. Students also may consult the housing bulletin board, local newspapers or rental agencies for listings and log onto www.scc.spokane.edu/?statcathing. Parents are encouraged to help the prospective student find acceptable housing within the Spokane area.

The following housing policy has been adopted by the CCS Board of Trustees:

“Persons interested in listing rental property with CCS are required to sign the Equal Availability of Housing card, which in turn will be posted on the college housing bulletin board.

“If a complaint is made to the Washington State Board Against Discrimination and said board finds that discriminatory practices have been in effect, the services of the college will be denied the property owner and the listing of the property withdrawn until there is a proper showing that such practices have ended.”

CCS does not assume responsibility for independent housing facilities used by students.

Student Life

STUDENT CENTERS
Spokane Community College’s Lair Student Center is the center of student activities and campus life. Areas available for student use include a cafeteria and deli, game room, bookstore, lobby lounge, auditorium and several meeting rooms. The Community, Career and Employment Services Office is located off the main lobby of the Lair. Orlando’s, a student-operated restaurant located in Building 1, offers excellent food at very reasonable prices. The restaurant is a training area for culinary arts students. Counseling and financial aid services are located in SCC Buildings 15 and 50, respectively.

The hub of Spokane Falls Community College’s student activities is the Student Union Building centrally located on campus. The SUB features a main lounge area with a fireplace, dining area with Cyber Cafe, recreation center with computer stations, six-lane bowling alley, several conference rooms, college bookstore and student services area. Student services include admissions and the Registrar’s Office (student records); advising, assessment and testing; career center; cashier; counseling; disability support services; financial aid; veteran affairs; international student services; multicultural student services; parking permits; Running Start office; student-funded programs and activities; work-study/placement; and the offices of the vice president of student and administrative services, dean of student services, and the associate dean of student life.

The Institute for Extended Learning’s Colville Center houses a student center that includes an activity room, two study rooms, student government and journalism offices, a kitchen and cafeteria. The student services area includes the admissions/registration office, counseling center, testing, financial aid information, cashier, bookstore and disability support services. At the Pullman Center, student services include counseling, admissions and registration, financial aid information and a student lounge. The Newport Center houses a student activity room, counseling, admissions/registration, financial aid information and student government offices.

STUDENT GOVERNMENT
All enrolled students of SCC, SFCC or the IEL are members of the associated students. The SCC Associated Student Council, which is composed of two elected officers, four appointed executive officers, and five appointed senators, determines student government decisions at SCC. A seven person Student Activities Council is responsible for bringing co-curricular programs to the SCC campus.

Government action for SFCC Associated Students is determined by the College Student Senate, consisting of two elected officers, six appointed officers, four appointed senators (representing geographical districts), one appointed administrator and one elected faculty representative. The Student Council includes representatives from all campus clubs and is responsible for planning student programs and activities.

At the IEL, each center has its own student government structure. This decentralized structure allows each center to have a student government that meets its needs and has the flexibility to immediately respond to local student concerns. There are student governments at the AEC, Colville, Hillyard, Pullman, Newport, Ione, Inchelium, and Republic Centers.

For additional information, call SCC, 509-533-7081; SFCC, 509-533-3553; IEL Magnuson Building, 509-279-6081; IEL Colville Center, 509-279-6700; IEL Republic Center, 509-775-3675; IEL Newport Center, 509-447-3835; IEL Inchelium Center, 509-722-3702; IEL Hillyard Center, 509-533-8580; IEL Adult Education Center, 509-533-4600; IEL Pullman Center, 509-533-4002; and IEL North Pend Oreille Center, 509-533-4290.

STUDENT ACTIVITIES
Student tuition includes services and activities fees. This portion of tuition provides funding for athletics, clubs, organizations, student government, and financial aid on each college campus.

Student activities within CCS are conducted to promote educational, cultural, social and recreational programs. These programs are planned, coordinated and conducted by students to supplement classroom-learning experiences throughout the college year.

There are a wide variety of clubs and organizations that relate to many different special interests (i.e., drama, multicultural, service learning, single parents, etc.) as well as organizations relating to instructional areas (i.e., hearing impaired, journalism, music, photo, etc.) Membership in these student clubs and organizations is open to all students.

Detailed information for clubs and organizations is available in the Student Activities Office in the student centers throughout CCS.

For more information, call SCC, 509-533-7081; SFCC, 509-533-4197; IEL Magnuson Building, 509-279-6081; IEL Colville Center, 509-279-6700; IEL North Pend Oreille Center, 509-533-8301 or 509-447-3835; IEL North Pend Oreille Center, 509-533-4290 or 509-442-4290; IEL Republic Center, 509-533-8728 or 509-775-3675; or IEL Pullman Center, 509-533-4002 or 509-332-2706.

STUDY ABROAD
SCC and SFCC are committed to offering students the opportunity to study abroad as part of their international education. Study Abroad provides an excellent opportunity to live in another country and experience its culture, while earning college credit.

Students may choose from a variety of study abroad opportunities in all parts of the world and under a range of program options: United Kingdom, Spain, Japan, Canada, Ireland, and New Zealand. Programs in other areas of the world also are available occasionally. For information, call the Study Abroad contact in the International Programs Office at SCC, 509-533-4131; or SCC, 509-533-8201; or by e-mail, teresa@spokanefalls.edu. Also see the Study Abroad web site link: www.spokanefalls.edu/Programs/StudyAbroad/Home.aspx.

INTERNATIONAL CLIMATE ON CAMPUS
Students can pursue an SFCC International Studies Pre-major or International Business Certificate program (consult a counselor or adviser for additional information).

Students at SCC and SFCC have the opportunity each quarter to participate in the International Peer Mentors through an International Programs and Service Learning partnership program. For information,
Students have the opportunity to study and work with teachers and students from many countries. Teachers from Bangladesh, China, Columbia, Cypress, France, Germany, Hungary, and Japan have taught for SFCC.

**STUDENT PUBLICATIONS**

Legends, SCC’s literary magazine, is published every spring by the students in the literary production class. Featuring prose, poetry and art, the magazine accepts submissions from students, faculty and alumni. Each year, Legends presents a collection of works appropriate to that year’s vision and theme. Legends has received local, state, and regional awards since its creation in 1987. The Sasquatch Times is the bi-weekly newspaper produced by students at SCC. It provides students an opportunity to gain news gathering, writing, editing, photography, layout and publishing experience. The Wire Harp, SFCC’s literary magazine, is published each spring. The magazine’s editorial staff is composed of SFCC students. Submissions of poetry, prose, photography and graphic art are accepted in January each year.

The Communicator, SFCC’s official student newspaper, gives students a chance to write about news, arts and entertainment, features, sports and opinion for the SFCC community while building a professional portfolio. Students produce the full-color, bi-weekly tabloid, giving them the opportunity to gain relevant experience in graphic design, page layout, photography and management. The Communicator regularly enters and places in national Associated Collegiate Press competitions and attends conferences in cities such as Los Angeles, St. Louis, San Diego and San Francisco. In 2009, the paper took fourth place in the nation at the ACP conference in Austin.

Journalism students also produce audio documentaries, videos, and podcasts on Communicator Online, located at www.spokanefalls.edu/communicator. In 2009, the ACP awarded Communicator Online its Online Pacemaker award, considered the Pulitzer Prize of collegiate journalism.

The Bigfoot Review: A Creative Arts Magazine is published by the students at the IEL’s Pullman Center. It provides students with an opportunity to write and publish their poems, short stories, photographs, and illustrations. It is published a minimum of once per year and gives students experience in preparing a publication including layout design, writing, editing, teamwork and meeting deadlines.

**INTRAMURAL SPORTS**

Intramural sports are a valuable, added component to student life and play an important role in the total student experience at CCS. Participation in intramural sports will make for a more rewarding and enjoyable collegiate experience. It adds another dimension to student life away from the rigors of the classroom and allows for extracurricular social interaction. Intramural activities help promote and improve physical fitness, self-esteem and are a great way of just having fun while attending college. CCS offers a variety of intramural sports options during the fall, winter and spring quarters. In addition, open recreation time is provided daily in the swimming pool at SCC and the gymnasiums at SFCC and SCC for students and staff.

**INTERCOLLEGIATE ATHLETICS**

The athletic program gives full-time students at both colleges an opportunity to participate in competitive intercollegiate sports in the Northwest Athletic Association of Community Colleges. Each year, Bigfoot teams rank in the top 10 in a variety of NWAACC sports. Men’s teams compete in cross-country, basketball, track, golf, tennis, soccer and baseball; women’s in volleyball, cross-country, basketball, track, golf, tennis, soccer and softball.

**FITNESS CENTER**

Students, faculty and staff have access to fitness centers at SCC and SFCC. These state-of-the-art facilities offer cardiovascular conditioning, strength training and flexibility programming. Students may register for either a 1-credit fast fitness or a 2-credit cross training class. Grading is based on the total hours of exercise time accumulated during the quarter.

Both fitness centers have a dress policy that is designed to help keep equipment clean and foster a non-intimidating environment. The aim of fitness center staff is to provide an educational and motivating environment in which to achieve individual exercise goals. Instructors are on hand to help develop personal exercise programs and conduct individual fitness assessments. These assessments include testing body composition, blood pressure, flexibility, aerobic fitness and muscular strength. There also is an opportunity for physically-challenged individuals to exercise on a variety of specialized machines.

**WELLNESS PROGRAM**

The CCS physical education, athletics and recreation department conducts a Wellness Program geared to meet the needs of CCS students. The Wellness Program focuses on educating, motivating and directing students toward positive, fitness-oriented, healthy lifestyles. Information is available on diet, nutrition and exercise. Fitness and wellness testing is available by appointment for body composition measurement, blood pressure, flexibility and nutrition analysis. Program goals are to reduce the risk of disease and injury and enhance the quality of life for students.

A variety of activities are offered and geared to meet individual needs. Activities include organized classes (credit and noncredit) and open facility usage. Classes range from basic fitness to yoga, jogging, cross training, karate, weight training and fast fitness. Facilities are available for student use during open scheduled hours. This includes locker/shower rooms, swimming pool (SCC), indoor/outdoor tracks, gymnasiums, trails, tennis courts and athletic fields.

The Wellness Challenge incentive program offered each year is designed to encourage student participation in health, fitness and wellness-related activities and runs from September 1 to August 31. Both colleges have information, specific details and forms needed for participation.

For more information, call SCC, 509-533-7212 or SFCC, 509-533-3816.

**STUDENT RIGHTS and Responsibilities**

**STUDENT CODE OF CONDUCT**

Community Colleges of Spokane has adopted a student conduct code and rules for enforcement. All students should familiarize themselves with the code, which can be found online at http://apps.leg.wa.gov/wac/default.aspx?cite=132q-30.

The student code of conduct is available in the offices of the vice president of student and instructional services at SCC, the associate dean of student-funded programs at SFCC and the dean of student services at the IEL.

In addition, CCS follows all applicable federal and state laws regarding the prohibition of the use and possession of controlled substances and alcohol by any student on district-owned or used facilities, grounds or motor vehicles and in any college participant activity on or off campus.

**STUDENT RIGHT TO KNOW**

Community Colleges of Spokane complies with a variety of state and federal requirements concerning providing information to students and prospective students regarding campus crime statistics and security, undergraduate completion and graduation rates, athletic information including expenditures and revenue, and participation by team and gender.

Detailed information is available at www.ccs.spokane.edu/future/important/righttoknow.aspx.

**STUDENT RECORDS (CONFIDENTIALITY)**

Public Law 93-380, the Family Educational Rights and Privacy Act of 1974 (FERPA), requires that CCS adopt guidelines concerning the right of a student to inspect his or her educational record.

**RELEASE OF PERSONALLY IDENTIFIABLE RECORDS**

The college shall not permit access to or the release of educational records, or personally identifiable information contained therein, other than published “directory information” without the written consent of the student, to any party other than the following:

- Administrative/support staff and college faculty when information is required for a legitimate educational interest within the performance of their responsibilities to the college, with the understanding that its use will be strictly limited to those responsibilities.
Federal and state officials requiring access to educational records in connection with the audit and evaluation of a federally or state-supported educational program or in connection with the enforcement of the federal or state legal requirements which will not permit the personal identification of students and their parents to other than those officials. Such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation or enforcement of legal requirements.

Agencies, such as the National Student Clearinghouse, or individuals requesting information in connection with a student’s application for, or receipt of, financial aid.

Organizations conducting studies for, or on behalf of, the college for purposes of developing, validating or administering predictive tests, administering student aid programs, and improving instruction. Such studies shall be conducted in such a manner that will not permit the personal identification of students by persons other than representatives of such organizations and such information shall be destroyed when no longer needed for the purposes for which it was provided.

Accrediting organizations in order to carry out their accrediting functions.

Any person or entity designated by judicial order, or lawfully issued subpoena, upon condition that the college makes a reasonable effort to notify the student of all such orders or subpoenas in advance of the compliance therewith (unless the order or subpoena specifically orders the student not to be notified). The Patriot Act legislation requires that students will not be notified of such orders or subpoenas.

Information from educational records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person(s).

Spokane Community College, Spokane Falls Community College and the Institute for Extended Learning are part of District 17, CCS. For that reason educational records may be shared among the three entities for the purposes of admission, registration, library access, financial aid and billing.

The term “directory information” used in WAC 132Q-02-380(5) is defined as: information contained in an educational record of a student that would not be generally considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to, the student’s name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate; full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended by the student.

Verification of enrollment is given.

Students may request in writing that the college not release directory information except through written notice to the Admissions/Registration Office.

CCS registrars’ offices will assist students who want to inspect their records. Records covered by the Family Educational Rights and Privacy Act (FERPA) will be made available within 45 days and the college may charge reasonable fees for preparing copies for students. This includes records that are kept in the following offices: admissions, registration, financial aid, cooperative work experience, placement, veteran services, cashier, sponsored programs, student activities and intercollegiate athletics. The college reserves the right to have a college representative present during the review of a student’s record; the representative may offer interpretation of the data within the record.

Some records may be withheld by the college. For example, academic transcripts are routinely withheld if the student has a financial obligation to the college. Medical records may be released to the student’s physician rather than to the student. Students may not inspect financial information submitted by their parents or letters associated with admissions, and records to which they have waived their inspection rights.

In the event a record contains information about other persons, the college will release only the portion of the record that pertains to the student.

The college will not release records that are not owned by the college. In addition, the U.S. Department of Defense has authorized branches of the U.S. military to access directory information from U.S. colleges for recruitment purposes. Directory information under this provision, called the “Solomon Act,” includes name, address, telephone listing, date and place of birth, level of education, academic major, degrees received, and the educational institution in which the student most recently was enrolled. Students who object to the release of the above information to military recruiters may request that this information not be released by written notification to the appropriate CCS Registrar’s Office.

REQUESTS AND APPEAL PROCEDURES WAC 132Q

To obtain information on the process to contest the contents of your education records, ask for a copy of Student Rights and Responsibilities at the admissions or registration offices at SCC, SFCC, IEL or go to http://apps.leg.wa.gov/WAC/default.aspx?cite=132Q-02-370.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA) HEARING PROCESS

Upon examination of records, a student who believes that his/her record is inaccurate or misleading can request a formal hearing. Requests for a hearing should be directed in writing to the Registrar’s Office at each college. When a date, time and place for the hearing have been established, a student may present evidence at the hearing and be represented by an attorney, at the student’s expense. The hearing panel will include the vice president of enrollment services and student development or other appointed designee and the student’s adviser/instructor. The hearing process does not replace other processes for student grievances. For example, a grade appeal will be addressed through the Student Grade Appeal procedure in this catalog.

The decision of the hearing panel will be based solely on the evidence presented at the hearing. A written summary of the hearing will be prepared and distributed to all parties. The summary will include the reasons behind any decisions made by the hearing panel. The student’s records may be amended in accordance with the ruling of the hearing panel. A student may add comments to his/her record if he or she is not satisfied with the ruling of the hearing panel. Such comments will be released whenever the records in question are disclosed. For example, an explanatory letter from the student may accompany a transcript.

Students who believe the hearing panel results are in error may contact the United States Department of Education, Room 4074 Switzer Building, Washington DC 20202.

ACCESS TO STUDENT RECORDS

Transcripts are a cumulative record of a student’s grade. Transcripts are a legal document of enrollment at CCS and are maintained forever.

TRANSCRIPTS OF CREDITS

In compliance with the Family Educational Rights and Privacy Act of 1974, a student’s grade transcript will be released only upon written request to the Cashier’s Office. The request must include the student’s full name, maiden name if applicable, approximate last date of attendance, student identification number, student’s signature and address(es) to which the transcript(s) should be sent.

There is a $3 fee per each official transcript requested. Students enrolled at the IEL, SCC or SFCC who are requesting an official transcript be sent from one District 17 unit to another District 17 unit will not be charged the transcript fee.

Official, sealed transcripts are required by other institutions when a student transfers. Official transcripts will not be released if the student has not fulfilled all financial obligations to the college.

TRANSCRIPTS FROM OTHER SCHOOLS

SCC and SFCC do not issue or certify copies of transcripts from other institutions. Transcripts reflecting a student’s previous college education that have been submitted to the college as a requirement for admission become part of the official file and cannot be returned to the student. Any student desiring transfer of credits earned elsewhere must order official transcripts from the institution where the credits were taken.

COMPLAINT PROCEDURE

Community Colleges of Spokane (CCS) has established procedures to assist students who feel they have a complaint or concern relating to an action by a member of the CCS community. It is the belief and practice at CCS that the best way for students to address concerns is to first meet with the employee involved and attempt to resolve the concern. Students are encouraged to contact the vice president of student services at SCC or SFCC, or the Dean of Student Services at the IEL regarding complaint procedures (CCS Administrative Procedure, 3.40.01-D Student Concerns).
Students have access to a wide variety of educational programs at Spokane Community College (SCC), Spokane Falls Community College (SFCC), and the Institute for Extended Learning (IEL). A student may choose to complete the first two years of four-year degree programs, select among career and technical program offerings, or upgrade skills in preparation for work or college. In order to give students an idea of some of the possibilities open to them, a number of suggested programs of study are provided on the following pages. The programs outlined are intended to provide general information. Students should seek detailed information from the campus Counseling Center or Transfer Center.

Students who plan to transfer to a four-year institution after completing the first two years at SCC or SFCC are strongly advised to consult with the community college counselor or academic adviser as well as the four-year institution they plan to attend. Requirements may vary according to the program and transfer institution. More detailed information about the following can be found on subsequent catalog pages.

DEGREE AND CERTIFICATE REQUIREMENTS

Transfer degrees include Associate of Arts (AA), Associate of Science-Transfer (AS-T), Associate of Applied Science-Transfer (AAS-T), Associate of Fine Arts (AFA). See Transfer Degree Programs for more details and Major Related Program degrees. Career and technical degrees include the Associate in Applied Science (AAS) in a particular state-approved career and technical program. Career and technical certificates also are offered in state-approved programs and Certificate in Fine Arts (CFA) is also offered. See Program Outlines for more details.

ADULT EDUCATION AND TRANSITIONAL STUDIES

Adult Education and Transitional Studies include Literacy/Pre-GED, Adult Education Workplace Success Skills, General Educational Development (GED), High School Completion, English as a Second Language, Read Right®, College Prep, PACE Services, SEER Program, and Families That Work.

BASIC STUDIES

Other studies include developmental education and college level English as a Second Language (ESL) courses at SCC and SFCC.

CONTINUING EDUCATION

Continuing Education Programs are offered by SCC, SFCC and the IEL. They consist of courses and special programs designed to provide a wide range of learning opportunities for people in the communities served.

Transfer Degree Programs

DIRECT TRANSFER AGREEMENTS—ASSOCIATE OF ARTS

The Direct Transfer Agreement (DTA) Associate Degree — called the Associate of Arts (AA) is the community college degree designed to transfer to most bachelor of arts degrees at all public and many private Washington four-year institutions. In order for the agreement to be valid for transfer, however, it is essential that the degree be completed. Otherwise, each course taken may be evaluated by the receiving institution separately, and some courses may not be accepted for transfer that would have been with a completed degree. For this reason students are strongly advised to complete the appropriate transfer degree prior to transfer. Transfer guides are available from counselors and at the SCC and SFCC Transfer Centers. Students planning to transfer should consult these guides as well as information provided by the four-year institutions. Completion of recommended courses in a pre-major for transfer does not necessarily assure a student admission to a four-year institution or a specific program. Some colleges use screening procedures (cumulative GPA, test scores, major GPA, etc.) for acceptance into certain majors and programs. Many four-year institutions have an admissions requirement of two years of a single foreign language in high school or two to three quarters of a single foreign language in college. Additional foreign language courses may be required for graduation. Students should check this requirement carefully for the institution to which they plan to transfer.

Lower-division major requirements vary among four-year schools. Therefore, students should consult the four-year institution to which they plan to transfer for specific program requirements. Careful planning is important in order to meet specific requirements.

Students planning to earn an AA or AS-T degree must meet minimum standards of preparation, which includes a math proficiency requirement. Those whose records and test scores indicate a need for additional preparation may be required to complete preliminary work in the college preparatory/developmental program.

For specific information on AA and AS-T degree requirements, refer to the Transfer Program Outlines. For descriptions of courses, please refer to the Course Descriptions section.

For most majors in the arts, humanities and social sciences, the Direct Transfer Agreement provides the best pathway. Degrees based on the DTA – degrees structured under the DTA umbrella – provide:

- Priority consideration in the admissions for most humanities and social science majors in most four-year institutions ahead of non-degreed transfers.
- Completion of most or all lower division general education requirements.
- Credit for all courses completed within the DTA up to and in some cases beyond 90 credits.
- Opportunity to explore several fields of study through the category of up to 25 credits of elective courses.
- Opportunity to complete prerequisites for a future major.

RECIROCITY AGREEMENT

Washington community and technical colleges (CTCs) offer reciprocity to students transferring within the CTC system who are pursuing the Direct Transfer Agreement (DTA) degree or the Associate in Science-Transfer (AS-T) degree. Students who completed an individual course that met distribution degree requirements or fulfilled entire areas of their degree requirements at one college will be considered to have met those same requirements if they plan to complete the same degree when they transfer to another community or technical college in Washington. These degree requirements include Communication Skills, Quantitative Skills, or one or more Distribution Area requirements. Students must initiate the review process and must be prepared to provide necessary documentation. For complete information, students should contact an academic adviser at SCC, SFCC or IEL.

DIRECT TRANSFER AGREEMENTS/MAJOR RELATED PROGRAMS

To help transfer students better prepare for the junior year, two-year and four-year institutions are working together to create transfer associate degrees outlining the appropriate courses in order for students to be well prepared to enter the major upon transfer – MRP degrees. MRP degrees follow either the DTA/Associate of Arts format or the Associate in Science-Transfer format.

Several MRP degrees follow the DTA guidelines and thus share the same benefits as described above, but provide specific preparation for the specific majors identified:

- Associate in Biology DTA/MPR
- Associate in Business DTA/MPR
- Associate in Math Education–DTA
- Associate in Pre-Nursing DTA/MPR
- Associate in Elementary Education DTA/MPR

Students interested in learning more about any of the MRP requirements in any specific area should seek advising from experts in those disciplines, counselors or the SCC and SFCC Transfer Centers. Students completing one of these MRPs will have that specific degree posted on their transcript; the more general DTA will not be posted.

ASSOCIATE OF SCIENCE-TRANSFER

The Associate of Science-Transfer (AS-T) degree is intended for students majoring in science who wish to transfer as juniors to four-year institutions in Washington.

Students who earn this degree will transfer with about half of the lower division general education courses required by four-year institutions. Remaining general education courses may be taken after transferring.
Career and Technical Programs

Career and technical education programs at Community Colleges of Spokane provide avenues for students to enter high-skill and potentially high-wage occupations or transfer to university-level technical education programs. These programs are developed with business and industry input and continued oversight from professionals actively employed in the occupations. Students are able to earn certificates of completion and Associate in Applied Science degrees in more than 100 professional and technical areas. Additionally, the colleges' focus is on extended learning opportunities for students who are upgrading skills due to technological changes, seeking new occupations or re-entering the workforce.

Industrial, professional, and service organizations partner with the colleges to provide work-based learning opportunities for career and technical students, enabling them to apply skills learned in an actual job setting. These opportunities also reinforce social and community focused behaviors that lead to productive and responsible citizens. For more information, see the Cooperative Education/Work Experience section of this catalog.

ASSOCIATE IN APPLIED SCIENCE (AAS)
The Associate in Applied Science (AAS) degree candidate in a career and technical area must complete a minimum of 90 credits in program requirements with a grade point average of 2.0 or better. Many programs require more than 90 credits. The candidate must earn at least 30 credits from Community Colleges of Spokane with the last quarter completed in residence.

A minimum number of credits must be completed in related instruction. Related instruction areas are defined as communications, computation, and human relations/leadership. A minimum of 3 credits must be completed in each area. Safety and hygiene requirements must be completed. SCC and SFCC have different requirements that must be met and are outlined in Career Planning Guides and in the program outlines section of this catalog.

A student possessing proven competencies in the program requirements and/or related instruction area may be granted advanced standing. The appropriate administrator must approve advanced standing placements.

All credits and grade points received from the time the student enrolls in the program are used for GPA calculation.

CAREER AND TECHNICAL CERTIFICATES
Career and Technical Certificates of at least three quarters in length also include a specified amount of credits in related education. The three areas of related instruction are computation, communications and human relations/leadership. A student possessing proven competencies in these areas may be granted advanced standing. The appropriate instructional dean must approve advanced standing placement. These courses also may be footnoted with the following: “This related education requirement may be substituted with any course, or combination of courses, approved by the instructional dean.” A minimum grade point average of 2.0 must be maintained. The candidate must earn at least 30 credits from CCS, with the last quarter completed at the college awarding the certificate.

CERTIFICATE IN FINE ARTS (CFA)
This certificate program provides an opportunity for the student to concentrate his or her program of study in fine arts. The program is suitable for those who wish to pursue art as a profession. The program is not designed with an emphasis on transfer, although all courses in the program are transferable.

A candidate for a Certificate in Fine Arts (CFA) must complete a minimum of 96 credits with a grade point average of 2.0 or better. The program can be completed in two years. However, a longer time span may be necessary for maturation of skills. Students must submit a portfolio and participate in an exhibition during their final quarter. Art faculty will work closely with students to build a strong portfolio. A review committee of faculty will evaluate the artwork before final approval to recommend awarding a Certificate in Fine Arts.

For more information, see Art (Certificate in Fine Arts) in the program outlines section of this catalog.

ASSOCIATE OF FINE ARTS (AFA)
A primary purpose of the Associate of Fine Arts is to offer a program of study applicable for transfer to a four-year institution. While the Associate of Fine Arts (AFA) degree does not satisfy the general education requirements for most four-year institutions, all courses are transferable. Students should consult the catalog and/or transfer manual of the school to which they plan to transfer before selecting courses.

The AFA degree prepares students to transfer to a four-year institution with a minimum of 90 credits, which include many general university requirements. Students may earn an AFA in art. Students are encouraged to meet with an art adviser before enrolling. For more information, see Art (Associate of Fine Arts) in the program outlines section of this catalog.

ASSOCIATE OF APPLIED SCIENCE-TRANSFER
Some career and technical programs of study may offer an Associate of Applied Science-Transfer (AAS-T) degree that is designed to provide transfer opportunities for students desiring to continue on towards achieving a baccalaureate degree at specific universities. An AAS-T degree is a degree awarded in a career and technical discipline that contains a minimum of 20 transferable general education credits in communications, quantitative reasoning, and social science, humanities or science. Not all programs offer the AAS-T. Please consult with a program faculty member or an academic adviser/counselor to determine if your program of study offers an AAS-T and into which four-year institutions it transfers. AAS-T degrees do not transfer to all four-year institutions.

This degree allows students to concentrate on fulfilling pre-major coursework in their intended field of study. A number of different options are offered with two basic tracks:

**Track 1 involves:**
- Biological science, environmental/resource sciences, chemistry, geology and earth science.

**Track 2 involves:**
- Computer science, physics and atmospheric science.
- Engineering, with the following specific MRPs:
  - AS-T in Bioengineering and Chemical Engineering MRP
  - AS-T in Computer and Electrical Engineering MRP
  - AS-T in Mechanical/Civil/Aeronautical/Industrial/Pre-Engineering

Several MRP degrees follow the AS-T guidelines and thus share the same benefits as described above, but provide specific preparation for the specific majors identified:

- Associate in Chemistry Education – AS-T Track 1
- Associate in Biology Education – AS-T Track 1
- Associate in Physics Education – AS-T Track 2
- Associate in General Science Education – AS-T Track 1

For more specific information on these MRPs, consult with an instructor in the discipline, a counselor or the SCC and SFCC Transfer Centers.

A candidate for an Associate of Applied Science-Transfer (AAS-T) degree that is designed to meet with an art adviser before enrolling.

For more information, see Art (Certificate in Fine Arts) in the program outlines section of this catalog.

**Certification in Fine Arts (CFA)**
This certificate program provides an opportunity for the student to concentrate his or her program of study in fine arts. The program is suitable for those who wish to pursue art as a profession. The program is not designed with an emphasis on transfer, although all courses in the program are transferable.

A candidate for a Certificate in Fine Arts (CFA) must complete a minimum of 96 credits with a grade point average of 2.0 or better. The program can be completed in two years. However, a longer time span may be necessary for maturation of skills. Students must submit a portfolio and participate in an exhibition during their final quarter. Art faculty will work closely with students to build a strong portfolio. A review committee of faculty will evaluate the artwork before final approval to recommend awarding a Certificate in Fine Arts.

For more information, see Art (Certificate in Fine Arts) in the program outlines section of this catalog.
ADDITIONAL PROGRAMS
In addition to the previously described programs, CCS offers:

- Aviation/Airway Science at SFCC, which through an agreement with the University of North Dakota allows students to complete their first two years earning their private and commercial pilot’s licenses and multi-engine and instrument ratings before transferring to UND to complete their bachelor of science degree.
- Army Reserve Officers Training Corps (ROTC)-Military Science through a cross-enrollment agreement with Eastern Washington University.
- College Level English as a Second Language for students who have been admitted to college credit programs and who are non-native speakers of English.

Degree and Certificate Requirements

TIME TO DEGREE
A student is eligible to graduate either (1) by completing the degree requirements in effect at the time of initial enrollment within four academic calendar years, or (2) by completing the requirements in effect at the beginning of the last continuous (summer quarter excepted) enrollment or (3) by completing the most recent requirements in effect during the quarter of graduation.

A candidate for a degree may include courses newly approved to meet degree requirements even though the course approval comes after the credit has been earned.

In instances where changes in professional degrees and certificates make the above guidelines inappropriate, the respective division administrator, working with the individual student, shall determine which degree requirements to follow.

GRADUATION REQUIREMENTS
Students who plan to receive a two-year degree or a one-year certificate must file a Graduation Application with the graduation evaluator. Students should apply for a degree when they have completed 90% of the degree requirements.

Filing a Graduation Application provides the student with the opportunity to review and check his or her degree or certificate requirements. It allows the student an opportunity to plan or change his/her course schedule to ensure completion of all requirements. It also ensures that all degrees/certificates earned will be correctly posted to the student’s transcript.

Degrees/certificates will not be awarded if the student has not fulfilled all financial obligations to the college.

Adult Education and Transitional Studies

Adult Education and Transitional Studies programs are designed to meet the employment and precollege educational needs of students 19 years of age or older regardless of previous educational background or ability. Courses are individualized to better serve the special needs of each student. All day and evening courses are offered on a continuous, open-enrollment basis during the year at more than 20 community sites, public schools and special institutions throughout the district.

LITERACY/PRE-GED
Adult education offers students an opportunity to improve literacy skills through a holistic, integrated approach to reading. In reading lab classes, learners participate in group work and individualized instruction to improve word recognition, vocabulary skills and comprehension. In addition to improving literacy, the program also emphasizes necessary job skills and basic computer skills.

Adult education classes in pre-GED prepare students for GED coursework in the areas of mathematics, writing, reading, social studies and science. The program also focuses on improving students’ potential for employment and developing computer knowledge and skills. For more information, call 509-533-4600.

ADULT EDUCATION/WORKPLACE SUCCESS SKILLS
Course components include: workplace reading skills (comprehension, main points, summarizing), workplace writing skills, computer basics (Word, Excel, PowerPoint and keyboarding), learning styles assessment (how to apply this information to the workplace), soft skill job strategies or “hidden rules of the workplace” (communications and real work scenarios), job search tools (cover letters, resumes, interviewing skills, dress for success, business letters and memos), career planning and vocational assessment, self-concept and personality styles in the workplace.

For more information, call 509-533-4600.

GENERAL EDUCATIONAL DEVELOPMENT (GED)
Adults wishing to enroll in credit programs offered by community and technical colleges must have a high school diploma or GED certificate. State community colleges automatically accept students who have passed the GED exam. If you have a GED certificate, you may qualify to enroll in College Prep. College Prep is a program designed to help successfully transition students who attain a GED to college level coursework.

GED classes offer instruction to adult learners 19 years of age and older in the following areas: mathematics, science, social studies, writing skills, literature and the arts. Learners ages 16 through 18 may be admitted to the GED program if they have an Office of the Superintendent of Public Instruction (OSPI) written release from the school district where they reside.

GED certificates are issued by the OSPI and represent an alternative educational achievement. In addition, GED students may have the opportunity to receive computer basics (computer literacy and keyboard training).

CCS also offers an online GED program. For more information, call 509-533-4600.

HIGH SCHOOL COMPLETION
Students enrolled in the IEL’s High School Completion (HSC) program may earn from one to three credits to complete graduation requirements for a Washington state diploma. Students must have met current OSPI standards on state assessment tests or state approved alternatives prior to enrolling in HSC; however, the culminating project and High School and Beyond Plan are included as part of the HSC curriculum. Prior credits, military work and life experiences may be considered. Some qualifying criteria must be met prior to enrollment in the program. Students who are 17 through 18 years old will be accepted into the program only with an Office of the Superintendent of Public Instruction (OSPI) written release from the high school of the school district where they reside. For more information, call 509-533-4600.

HIGH SCHOOL DIPLOMA
As stipulated by Substitute House Bill 1758 (SHB 1758), an individual enrolled in the Running Start Program through the option established under RCW 28A.600.310 through 28A.600.408 who satisfactorily completes an associate degree, including an associate of arts degree, associate of science degree, or associate in applied science degree, shall be awarded a high school diploma from the college upon written request from the student.

In addition to Running Start students, an individual, twenty-one years or older, who enrolls in the college for the purpose of obtaining an associate degree and who satisfactorily completes an associate degree, including an associate of arts degree, associate of science degree, or associate in applied science degree, shall be awarded a high school diploma from the college upon written request from the student, as stipulated by SHB 1758.

ENGLISH AS A SECOND LANGUAGE (ESL)
From beginning literacy through advanced English as a second language, the IEL offers what students need to meet Washington State’s six levels of competencies.

ESL is instruction for non-native English speakers. There are six levels of instruction and they are directly tied to competencies in listening, speaking, reading, writing and observing.

Job readiness, as well as retention and advancement in the workplace, are components of all ESL instruction. Computer literacy and ESL-specific software programs are a part of all curricula.

Students wishing to enroll in ESL must complete placement testing at the Adult Education Center before class assignments can be made. Students who have documentation of high school completion, as well as clearance from the Spokane K-12 system, may attend these classes. For placement testing or more information, call 509-533-4671.

Workplace ESL assists students in improving vocabulary and writing in the workplace and is offered through online ESL classes. Call 509-533-8522.
READ RIGHT®

Adults who have difficulty reading, worry that reading problems will prevent them from succeeding in school or work, or find reading boring and learning new information difficult, are discovering Read Right®. The program helps eliminate reading problems and greatly improves comprehension. The end result is process of reading correctly, eliminating the reading problem. Read Right® classes are offered Monday- Thursday with open enrollment throughout the quarter. For more information, call 509-279-6028.

COLLEGE PREP

Course components include math and writing review, computer skills, study skills, research skills, campus tours and guest speakers. Classes are offered with open enrollment in the first weeks of the quarter. This class is a must for anyone interested in brushing up on skills for entering college. For more information, call 509-533-4600.

PACE SERVICES

PACE Services (People Accessing Careers and Education) helps adults who have cognitive, physical, sensory or psychiatric disabilities to achieve employment and ongoing education. In addition to self-referral, individuals can be referred by the Division of Developmental Disabilities, Division of Vocational Rehabilitation, public school districts and other programs within the community colleges. Programs are designed to help individuals gain the knowledge and skills to achieve their goals through education, resource coordination and vocational support. Classes include Job Skills, Communication Skills, Life Skills, Computer Skills, Computer Basics and Applications, Sign Language, Life Dynamics, Reading, Creative Writing, Transitions, and physical conditioning classes. Classes are held at Spokane Falls Community College, Spokane Community College and IEL Lodge. PACE is accredited by the Commission on Accreditation of Rehabilitation Facilities for the following employment services: community employment for job development, job-site training and job supports, and employment planning services. For more information, call 509-279-6033.

SEER PROGRAM

SEER (Supported Education and Employment Enhancing Rehabilitation) is a noncredit college-based supported education and employment program designed to assist individuals with psychiatric disabilities to pursue work, education and volunteerism as part of their recovery. The program offers classes for skill development as well as numerous support services to assist students while enrolled in SEER classes, credit classes or vocational services. For more information, call 509-279-6033.

READY PROGRAM

The READY program is employment based and designed for individuals with barriers to both academic achievement and productive employment. General workplace skills include problem solving, communication, business basics and learning employment strategies. READY offers industry-specific training in Automotive Maintenance, Hospitality/Food Service, and Child Care. For more information, call 509-279-6033.

TRANSITION

PACE Services offers a wide range of noncredit classes and employment services for special education students 18 to 21 years of age. PACE works with the student, student’s family, and student’s high school to develop an individualized program. Modeled after the Running Start concept, this service allows the student to progress to a college environment while completing high school. For more information, call 509-279-6033.

I-BEST TRAINING

I-BEST (Integrated Basic Education and Skills Training) is a collaborative program that allows eligible adult students to complete adult education courses, such as GED and ESL, at the same time they are enrolled in college-level technical education programs in high-demand fields such as Automotive, Medical/Legal Office, Professional Business Technology and Social Service Technician. Individual tutoring for both GED completion and ESL is available each day, as well as an opportunity to work on homework during a regularly scheduled “Study Lab.” Upon successful completion of the program, I-BEST graduates are eligible for entry-level specialist jobs; have new job-specific math, reading and communication skills; and may have completed or be close to completing a GED certificate or high school diploma. Students also earn college credits during the program, which can be applied to a one-year professional certificate or two-year Associate in Applied Science degree at a community college. Financial aid may be available for students who qualify. For more information, call 509-279-6226.

Basic Studies

DEVELOPMENTAL EDUCATION (SCC AND SFCC)

Many students entering college or returning after an extended absence from studies need additional work to prepare for college-level courses. To meet the needs of these students, SCC and SFCC offer a series of courses in mathematics, reading, writing and study skills. Placement into many of these courses is determined by recommendation or performance on assessment tests usually taken before admission to the college. Many courses are offered in the traditional classroom format and through individualized, self-paced instruction in a learning center. These courses are numbered below 100 and, although taken for credit, are nontransferable. They are included in the Course Descriptions section of this catalog under the English and mathematics headings. For more information, call the SCC Counseling Center, 509-533-7026; SCC Liberal Arts Center, 509-533-7322; SFCC Counseling Center, 509-533-3525; SFCC Communications Learning Center, 509-533-3604; SFCC Mathematics Learning Center, 509-533-3671; or IEL, 509-533-4600.

Continuing Education

Continuing education programs focus on lifelong learning needs for personal enrichment and career development. These programs respond to current community needs through seminars, workshops and classes focusing on interests and needs of individuals and groups. SCC, SFCC and the IEL offer a wide variety of continuing education noncredit state-supported programs and self-support programs. The latter provides adults and young people a creative outlet to pursue activities not related to a college credit program. Financial aid is not available for these classes.

CCS continuing education programs include a variety of personal, recreational, creative, educational, counseling and enrichment courses for men and women of all ages. Career and technical courses, customized training for business and industry and small business courses also are offered. Classes range from one-day or evening workshops to three-to eleven-week classes offered during the day, evening or weekend.

CCS welcomes program suggestions from the community and is eager to work closely with business, industry and community agencies to develop or customize special courses and programs to meet specific needs. Employers are encouraged to contact the colleges about classes of interest to their employees.

There are five ways to register for continuing education courses: online, by mail, in person, by phone or by fax. Students may register online at www.ccs.spokane.edu/continuinged, by mail or fax using the non-credit registration form in the continuing education class schedule, in person at any college’s continuing education registration area, or by phone. Payment is required at the time of registration—check, money order, MasterCard and VISA are acceptable methods of payment. Because of the large number of students frequently attending continuing education classes, admission is granted on a first-come, first-served basis. Some courses or programs require a minimum age of 18 years, prerequisites and/or employment in an occupation related to the course.

For a current list of continuing education courses, visit www.ccs.spokane.edu/continuinged or consult the continuing education class schedule.

For more information: SCC Continuing Education, 509-533-8010, or www.scc.spokane.edu; SFCC Continuing Education, 509-533-3140, or www.spokanefalls.edu/Programs/ContinuingEd; IEL Enrollment Services, 509-279-6030; or www.ccs.spokane.edu/Catalog—Schedule/Noncredit-classes.aspx.

BUSINESS AND COMMUNITY TRAINING

The Business and Community Training (BCT) division of the Institute for Extended Learning is located at 2917 W Fort George Wright Drive. Using the educational and technical resources of SCC, SFCC and the IEL, BCT specializes in designing, coordinating and delivering training programs in a multitude of areas, ranging from technical skills to leadership/management issues. Training is customized to meet the specific needs of businesses, with alternatives for locations, times and methodology that include onsite training to businesses throughout eastern
Washington, 24 hours a day, seven days a week. For specific information on customized training programs for business and industry, call 509-279-6252 or e-mail kmeyerson@iel.spokane.edu. BCT also offers personal enrichment classes and small business training for students 18 years of age and older, as well as programs for those of retirement age and parent education/cooperative preschools. For information on these programs, call the numbers listed in the following sections.

**CAREER BUILDER PROGRAM**

Career Builder training courses are designed in partnership with area employers to meet current or projected job openings. The trainings are short – 8 to 22 weeks in length – and intended to get students quickly into the workforce. Enroll full-time Monday through Thursday, or part-time mornings or afternoons.

With Career Builder, students can make a program to fit their needs. Choose among the following options: MS Office 2007 Applications, Keyboarding, Business English, Business Math, Personal Finance (Quicken), Automated Bookkeeping (QuickBooks), Medical Terminology, Office Procedures, Customer Service, Workplace Readiness (Job Research), and Lifespan Strategies. For more information, call 509-279-6229 or e-mail mhompson@iel.spokane.edu.

**COMMUNITY EDUCATION**

The Community Education program offers a wide variety of noncredit personal enrichment and professional computer classes for adults 18 years of age and older. These affordable classes range from one-night workshops to multiple-session classes and are offered at convenient times in the evening or on weekends at public schools and other locations throughout Spokane County. Topics include arts and creativity, home and garden, computers, health and fitness, and recreation. These classes provide an important connection between the community colleges and the community. For more information, call 509-279-6269.

**PARENT EDUCATION/COOPERATIVE PRESCHOOL PROGRAM**

Parenting is treated as a vocation by the state of Washington. This noncredit program invites parents to explore the ways they influence children; discover how children “read their world”; discover how self-image develops; and explore quality-of-life issues such as family, communication skills, finances and relationships. Parent “co-ops” are located in three counties of the college district. This program is designed to meet the schedules of parents with infants, toddlers, and 3- to 5-year-old children.

In Spokane, one co-op offers a special group for parents with infants 10 months and younger, called Program for Early Parent Support (PEPS). It is a weekly, two-hour support/education class.

A Homeschooling Qualifying Course is offered three times a year for parents interested in homeschooling their children. This course fulfills the Washington State legal requirements for homeschooling children from preschool through grade 12. A variety of parent enrichment courses are offered each quarter.

For more information on locations and fees, call the Parent Education office at 509-279-6021, 800-845-3324 or e-mail gjunn@iel.spokane.edu.

**PLUS 50/REWIRED PROGRAM**

Today’s baby boomers and seniors aren’t slowing down, they are postponing retirement or are re-entering the workforce. That’s why Plus 50 supports students over 50 who want to re-invent their careers, enrich their lives, or give back to the community in a meaningful way. Times are tough in today’s marketplace, so a welcoming and inviting environment is created for these students in this unstable economy. Tools are provided in order to add to current skills or retrain for a new job. For more information, call 509-279-6237.

**SENIORS PROGRAM**

The Seniors Program offers a wide variety of enrichment courses each quarter for those of retirement age throughout the Spokane area. Senior Week, created from the Elderhostel model, is also offered during the summer. For more information, call 509-279-6027.

**SMALL BUSINESS TRAINING**

Small Business Training provides low-cost, noncredit training for small businesses in business basics such as cash flow management, record-keeping, taxes, legal issues, marketing and setting up a web site, as well as special interest topics such as nonprofit management and grant writing. For more information, call 509-533-4700.

**WASHINGTON STATE CUSTOMIZED TRAINING PROGRAM**

The Customized Training Program (CTP) provides training assistance to businesses in Washington. CTP training is a tool for enhancing the growth of Washington’s economy, increasing employment opportunities and adding to the state’s quality of life. Training can include formal training in basic education and skills, English language for non-native speakers, technical skills and job-related instruction, plus skills assessment and evaluation and training equipment, materials, facilities and supplies. All of the training is customized to meet the training needs of the company. For more information, call 509-279-6248.

**WASHINGTON STATE JOB SKILLS PROGRAM**

An economic development program established and funded by the Washington State Legislature, the Job Skills Program (JSP) provides customized job skills training to meet Washington state employers’ specific skill needs for new and current employees. The JSP provides specialized training in the areas of computer skills, leadership, Lean Manufacturing/Office, and other training considered necessary to improve business quality and emerge with a stronger, more competitive workforce. For more information, call 509-279-6243 or e-mail kproff@iel.spokane.edu.

**CORRECTIONAL EDUCATIONAL PROGRAMS**

Classes operate at the Airway Heights Correction Center and Pine Lodge Corrections Center for Women. A grant from the Washington State Board for Community and Technical Colleges (SBCTC) enables the college to provide educational services for the Washington State Department of Corrections. The classes offered at Airway Heights Correction Center and Pine Lodge Corrections Center for Women include: Adult Basic Education (ABE), General Educational Development (GED), English as a Second Language (ESL), Information Technology Certificate (ITC), Office Assistant and Front Office Professional Certificates. For more information, call the educational centers at: Airway Heights Corrections Center, 509-244-6897; and Pine Lodge Corrections Center for Women, 509-299-2312.

**CHANGE POINT/LIFE TRANSITIONS CENTER**

The Life Transitions Center offers four-week class sessions to men and women in transition following divorce, separation, or the death, disability or incarceration of a spouse or domestic partner. These classes are designed to prepare students for employment and continuing education. The Change Point Program offers vocational counseling, basic computer training, and support, addressing barriers and challenges to becoming self-sufficient. For more information, call 509-279-6065.

**HEAD START/ECEAP/EARLY HEAD START**

Spokane Head Start and Early Head Start are federally funded early childhood education programs serving children of low-income families, from birth to five years of age. The Early Childhood Education Assistance Program (ECEAP) is a state-funded preschool program that gives priority to children who are four years old by August 31. Part-day services are free to eligible families and include early childhood education, nutrition, social services and disabilities support. Parent involvement is encouraged. Some sites provide fee-based full-day childcare services integrated with Head Start/ECEAP/Early Head Start. At more than 20 sites throughout Spokane County, Head Start/ECEAP/Early Head Start staff and parents work together to provide positive experiences for children and their families. For more information, call 509-533-4800 or visit www.iel.spokane.edu/Headstart.

**WORKER RETRAINING PROGRAMS**

Worker Retraining is a Washington State cooperative initiative between Community Colleges of Spokane and the Washington State Employment Security Department. This initiative is designed to help eligible unemployed workers receive funding for retraining at CCS. Eligible unemployed workers include: (1) displaced workers, (2) laid-off workers receiving unemployment benefits, (3) workers who have exhausted their unemployment benefits, (4) formerly self-employed workers, and (5) displaced homemakers. Services include employment and training assistance, career counseling, school-to-work and job transition, goal setting, customized training for job skills upgrade and job placement.

For more information, call the Worker Retraining Office at SCC, 509-533-8056; SFCC, 509-533-3594; IEL, 509-279-6031; WorkSource Spokane, 509-532-3172 or find us on the web at www.ccs.spokane.edu/Community-Resources/Worker-Retraining.aspx
