

Course Objectives/Course Outline
Spokane Community College

Course Title: Co-op Education

Prefix and Course Number: ACCT 288

Course Learning Outcomes:

By the end of this course, a student should be able to:

- Demonstrate SCC college-wide abilities of responsibility, communications, and critical thinking in a workplace environment
- Practice job duties, tasks and abilities required to succeed in the business community
- Use hands-on workplace experience to help bridge the gap between classroom instruction and the world of work
- Design and develop learning experiences that can be included on their resume

Outline:
