**Course Objectives/Course Outline**  
**Spokane Community College**

---

---

**Course Title:** Biomedical Instrumentation Laboratory

**Prefix and Course Number:** BIOEQ 252

---

**Course Learning Outcomes:**

**By the end of this course, a student should be able to:**

- Demonstrate knowledge and operation of circuits and equipment.

**Course Outline:**

- I. Biomedical Instruments Laboratory Experience
  - A. Analysis of electronic circuitry
  - B. Patient monitoring
  - C. Clinical applications
