Course Objectives/Course Outline
Spokane Community College

Course Title: Technical Skills Echocardiography I

Prefix and Course Number: ECHO 254

Course Description

The student will develop basic skills in performing the Doppler Echo examination on student volunteers. All procedures are performed under the supervision of credentialed cardiac sonographers.

Course Learning Outcomes:

By the end of this course, a student should be able to:

- Perform an M-mode and Two-dimensional echocardiogram, demonstrating each of the standard views
- Integrate the PW and CW Doppler techniques into the standard echo exam
- Quantitate the M-mode, Two-dimensional and Doppler echocardiogram

Course Outline:
