

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	ART &100
Course Title:	Art Appreciation
Version Date: mm/dd/yyyy	12/6/19

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Recognize and recall the historical context, major styles, and the ideas that are relevant to the study of art in a broad range.
2. Recognize the artists and individual works of art that represent a diverse variety of cultures and movements from around the world.
3. Interpret and analyze a work of art using the formal language of art and design.
4. Define basic art, design, and craft concepts and terms; describe, compare, and contrast works of art; and discuss concepts relevant to historical, contemporary, and traditional art making.
