

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	ART 108
Course Title:	Ancient/Medieval Art
Version Date: mm/dd/yyyy	12/6/19

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Recognize and recall the historical context, major styles, and the ideas that are relevant to the study of art made between the Prehistoric to Medieval time periods.
2. Recognize the artists and individual works of art that represent the characteristics of their period(s).
3. Interpret a work of art using formal analysis.
4. Summarize reading material; define basic concepts and terms; describe, compare and contrast works of art; and discuss causes and effects within the content area.
