

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	ART 109
Course Title:	Renaissance/Baroque Art History
Version Date: mm/dd/yyyy	12/6/19

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Recognize and recall the historical context, major styles, and the ideas that are relevant to the study of art made during the Renaissance and Baroque time periods.
2. Recognize the artists and individual works of art that represent the characteristics of their period(s).
3. Interpret a work of art using formal analysis.
4. Summarize reading material; define basic concepts and terms; describe, compare and contrast works of art; and discuss causes and effects within the content area.
