

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	ART 112
Course Title:	Non-Western Art
Version Date:	1/27/22

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Research, recognize, define and recall the major stylistic, cultural, and historical contexts and ideas that are relevant to the study of Non-Western Art.
2. Discuss, appraise, and contextualize art and artworks as related to cultural perspectives from the personal point of view to greater world points of view.
3. Compare and contrast works of art utilizing the formal language of art for interpretation and analysis.
4. Recognize, identify and define the conceptual approaches, methods, materials, craft and skills relevant to art processes.
