---

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Demonstrate the ability to recognize and apply watercolor's unique characteristics with regard to technique, handling and process.
2. Expand working knowledge and vocabulary of the elements of art, particularly color interaction and texture as it applies to watercolor.
3. Explore the work of selected artists known for their effective use of water-based media.
4. Develop the ability to evaluate one's own work and that of others through critique.
