

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	AS 176
Course Title:	Addiction Counseling Techniques
Version Date:	10/01/2019

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Demonstrate appropriate entry-level counseling skills and analyze for improvement through review of video recording and feedback.
2. Explain the importance of being aware of individual differences and how they influence client behavior and the basic counseling skills and strategies employed in substance use disorder treatment for removing blocks to recovery for a variety of populations.
3. Define helping strategies and treatment modalities appropriate to the client's stage of change and progress.
