

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	AS 290
Course Title:	Co-Occurring Behavioral Health Disorders
Version Date:	10/01/2019

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Explain the potential for substance use disorders to mimic a variety of medical and behavioral health conditions and the potential for medical and mental health conditions to co-exist with addiction and substance abuse.
2. Describe the interdisciplinary (behavioral health) approach to addiction treatment with mental health and the medical field. Describe the established diagnostic criteria for substance use disorders and mental health disorders.
3. Describe the medical and pharmacological resources in the treatment of substance use disorders.
