---

**Course Learning Outcomes**

Upon successful completion of the course, the student will be able to:

1. Recognize and apply the elements and the transactional nature of communication
2. Analyze the communicative causes of perceptual differences
3. Incorporate and demonstrate effective small group communication principles
4. Compose and deliver a clear, accurate, organized and practiced speech, that incorporates research material in support of a central idea or thesis, supported by an outline.
5. Examine and analyze the role of communication in the development and maintenance of personal identity in intercultural and interpersonal relationships.
6. Model Communication Competence, in the course practice of Verbal, Nonverbal and Listening skills
