**Version Date:**                   **04/07/2018**

---

**Course Learning Outcomes**

Upon successful completion of the course, the student will be able to:

1. Define the concept of the director as auteur.
2. Assess the narrative form and content of one or more films by each director studied.
3. Assess the film techniques used by each director in one or more films.
4. Describe the cultural context of the films studied.
5. Assess the impact and influence of great directors to film art.
