

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number: **FILM 224**
Course Title: **Current Global Cinema**
Version Date: **04/17/2018**

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Explain how the social and political times in which a film is produced affects its style and content.
2. Explain personal responses to global film productions.
3. Reconsider personal responses to global film productions based on critical analysis of the cultural and artistic contexts.
4. Analyze the accuracy of historical times, places, and people portrayed in global films.
5. Describe the critical aesthetic of current national film movements.
