

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	JAPN& 221
Course Title:	Intermediate Japanese IV
Version Date:	03/08/2021

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Survey the foundational expressions of human thought and creativity.
2. Examine elements of tradition and change within disciplines of the humanities; participate in more than one discipline as a scholar, as a practitioner, or as an active and critical member of an audience community.
3. Discover connections between humanities discipline and the Japanese language.
4. Compare & contrast the relationship of more than one humanities discipline to the larger Japanese intellectual community.
5. Build an increased understanding and appreciation of the Japanese language & cultures
