

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	JOURN 202
Course Title:	College News Production V
Version Date: mm/dd/yyyy	12/09/2019

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Propose a plan of action for a group of diverse students to produce original content for a section of the student publication.
2. Construct a double truck full of original material for the student publication.
3. Evaluate others' news stories through analysis of deep-rooted, often unarticulated cultural perceptions and assumptions
4. Facilitate team meetings that determine the overall editorial direction of an issue of student publication.
