

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	JOURN 225
Course Title:	Intro to Newswriting
Version Date: mm/dd/yyyy	12/09/2019

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Identify appropriate sources for a story and interview them in order to get recorded responses and actualities which are suitable for broadcast
2. Edit audio into short, concise quotes for use in an audio segment and utilize contemporary software to edit audio digitally and export in standard formats
3. Decide whether the information given by a source is accurate and/or relevant to the story and evaluate sources' quotes for spin
4. Apply the information gathered in notes and interviews to compose a piece of audio accessible to a general educated listenership
5. Use industry-standard terminology to pitch story ideas and larger projects
6. Produce audio segments on a tight deadline
7. Evaluate how their own prejudices and preconceptions might affect their portrayal of an issue/group
