**Prefix and Course Number: OTA 161**

**Course Title: Documentation for the Occupational Therapy Assistant**

**Version Date: 08/30/2019**

---

**Course Learning Outcomes**

Upon successful completion of the course, the student will be able to:

1. Document occupational therapy services to ensure accountability of service provision and to meet standards for reimbursement of services, adhering to requirements of applicable facility, local, state and federal reimbursement agencies. Documentation must effectively communicate the need and rationale for occupational therapy services.
2. Build objective, functional short term goals which relate to the established long term goals
3. Discuss the importance of accurate documentation to facilitate reimbursement.
  - a. Identify components and function of a variety of health records.
  - b. Identify stakeholders for OT documentation and be able to state their perspective.
  - c. Identify the ethical, moral and legal responsibilities as related to documentation
  - d. Apply correct grammar, spelling and medical terminology in all documentation
