

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	PHIL 209
Course Title:	Eastern Philosophy
Version Date:	04/08/2021

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Explain what philosophy is and how the intellectual traditions of Asia are philosophical.
2. Demonstrate an understanding of the cultural frameworks and values in evaluating philosophical content of Asia.
3. Analyze theoretical similarities and differences between Eastern and Western philosophers/philosophies.
4. Examine various works within Eastern philosophy from diverse perspectives on traditional philosophical issues.
5. Evaluate arguments from multiple perspectives with philosophically justifiable inferences.
