# Spokane Community College and Spokane Falls Community College ASSOCIATE IN ARTS (AA) DIRECT TRANSFER AGREEMENT (DTA) DEGREE REQUIREMENTS

A candidate for the Associate in Arts (AA-DTA) degree must complete 90 quarter credits in academic courses numbered 100 and above with a cumulative grade point average of at least 2.0 and meet specific distribution requirements. Courses must be chosen from the following distribution areas: communication – 10 credits, quantitative/symbolic reasoning – 5 credits, humanities –15 credits, social sciences –15 credits, mathematics/science –15 credits, health-related and physical education/recreational and leisure activities – 5 credits, and 25 credits in approved general electives. At least 5 credits must be W-designated (writing-intensive). At least 5 credits must be D-designated (global/diversity). PE activity courses are limited to a maximum of three credits for the entire degree. At least 30 credits must be earned in residence from Spokane Community College or Spokane Falls Community College with at least 15 credits earned at the college awarding the degree. It is highly recommended that students meet with a counselor or academic adviser at Spokane Community College or Spokane Falls Com

**NOTICE:** For transferring students, 75 of the 90 quarter credit total must be fully transferable as defined by the Intercollege Relations Commission (ICRC) guidelines for the Direct Transfer Agreement to be honored by most four-year institutions in Washington. A maximum of 15 elective credits may be career and technical courses numbered 100 or above. Due to the specialized nature of many of the listed courses, students should consult with their counselor or academic adviser and the catalog of the four-year institution to which they plan to transfer for specific degree requirements.

**DISTRIBUTION** Credits for a specific course may be used in only one distribution area requirement.

NOTE: Some institutions have requirements for admission to the major that go beyond those specified above. Students can meet these requirements by careful selection of additional elective courses. Students should work with a counselor or academic adviser for further guidance specific to their goals. NOTICE: Due to the specialized nature of many of the listed courses, students should consult a counselor or academic adviser and the catalog of the four-year institution to which they plan to transfer for

specific degree requirements.

DISCLAIMER: During the period this guide is in circulation, there may be curriculum revisions and program changes. Students are responsible for consulting the appropriate academic unit or adviser for more current and specific information. The information in this guide is subject to change and does not constitute an agreement between the college and the student.
