

Spokane Falls Community College
COURSE LEARNING OUTCOMES

Prefix and Course Number:	GRDSN 235
Course Title:	Multimedia I
Version Date:	03/11/2020

Course Learning Outcomes

Upon successful completion of the course, the student will be able to:

1. Develop multimedia software skills at a beginner level to complete projects using audio, text and visual imagery.
2. Define, sketch and create timeline-based workflows for animation using storyboards.
3. Demonstrate an understanding of time-based workflows by assembling various files into a timeline.
4. Combine and animate logos, text, photographs and illustrations using the principles of animation at a beginner's level.
5. Evaluate and assess developed work through formal critiques.
6. Apply interpersonal skills to learn how to explain, direct and communicate clearly using industry terminology, standards and processes.
7. Create projects that demonstrate effective story telling.
